EGYPT is the start of our Holy Land journey!

- We start our journey in Cairo from our hotel with a view of the Great Pyramids.
- On our first day, we visit Memphis & Sakkara to learn about early Egyptian life, pharaohs, local culture, and native archaeology.
- The next day, we visit the Great Pyramids of Giza and the Great Sphinx, some of the Seven Wonders of the Ancient World. Crawl through a pyramid, ride a huge camel in front of them (pictures are a must!), and explore Old & Coptic Cairo + the Egyptian Museum (the current museum or the new one if it is open). We visit the place where Mary & baby Jesus lived when in Egypt - it's amazing to be in that place!
- On Day 3, we follow the Exodus to Sinai past the Red Sea and end the day with dinner prepared by the Bedouins at Mt. Sinai. If allowed by the monks, we will tour St. Catherine's Monastery and see the Burning Bush as well as mosaics depicting Moses' journey.
- For many, the highlight of the Egypt tour is an overnight HIKE to the top of Mt. Sinai for sunrise to fellowship in the place Moses received the 10 Commandments. You can ride a camel part-way then hike the last part or hike the whole way up but this is an incredibly unique experience!
- Cross into Israel at the Taba border to enter Jordan for the next 4 nights.

See the summary information below for more details.

FULL EGYPT ITINERARY

Many people wonder **WHY GO TO EGYPT?** It's a very unique country with a history of engagement in Middle East drama and most residents are Muslim but

Egypt also played a huge part in our Bible story. It's the heart of the Old Testament and understanding the country and geography is an important part of our Biblical journey.

Our Egyptian guide, Sam, is an expert Egyptologist who loves his role in educating travelers about their culture & history.

We have never had any safety issues in Egypt though the US government requires all Egyptian buses with American tourists to have an armed guard on board. As long as you don't take pictures of their military posts or soldiers, we don't have any issues.

Egypt is the only country where we have to be careful about food. We will give you full instruction on what to eat & not to eat so you stay healthy & feel good.

If you can extend your journey to Egypt & Jordan (8 nights total), it's worth it!
