Bishop Zinkula wants your feedback in planning study
The Diocese of Davenport is looking to the future and conducting a comprehensive survey involving all parishes. Before any final decisions are made regarding long-range priorities for the diocese. Bishop Thomas Zinkula would like to hear from you.
All parishioners will be asked to share their thoughts regarding our diocese’s needs and the possibility of conducting a major fundraising effort. Your feedback will enable the diocese to determine potential support for the projects. If the fundraising effort moves forward, the planning study will also provide information to identify prospective campaign leaders and to establish a realistic campaign goal.
Parishioners will have access to a fact sheet that details proposed goals and will be asked to respond in a variety of ways. Some parishioners will be personally interviewed, and others will have the option to mail in a survey, go online to answer questions and/or attend a listening session at a local parish. The Steier Group, our development firm, will compile results from the study and present it to our diocesan leadership.
This process is extremely important. Every diocesan family is encouraged to participate. Your input is valuable as we plan for the future of the Diocese of Davenport. Additional information will be forthcoming.
