National Selectors:

Male: Colin Choules nominated by Connie Spinks seconded Murray Blackman Elected unopposed

Female: Jan Philp nominated by Chris Haughey seconded Heather Scott

Elected unopposed

Delegates for NSW Darts Council: Andy Faulkner and Margaret Clark

Correspondence:

Letters from Christine Haughey and Andy Faulkner read and discussed

Discussion Christine's letter: Members need 3 games prior to Championships

Len suggested rescind last years rule and state that need 3 games for NSW Championships and 5 for Nationals but that it be the responsibility of the Committee if there are extenuating circumstances. Motion passed

Current NSW State Teams members not eligible to play in our State championships. This rule still stands.

Tilligerry still counts as 2 points 1 point each day. This rule still stands

Discussion Andy's letter: Expressed concern re Venue, timeslots and number of boards for this years nationals in Perth.

Motion that the secretary draft a letter that there be no split times of play and no Wednesday or Saturday play. If WA can't fit the event in as previous years then perhaps WA may have to cap the number of players from WA competing. Passed

Motion that for 2017 Championships if Far North QLD can host this event then play there.

If not, then it should revert to Vic and then to NSW. It should not be hosted 2 years in succession by WA. Passed unanimously

Australian Rep Side to play NZ

Discussion how to select a team. Ideas to be forwarded to Bob and Connie to forward on to Legends Australia for consideration

General Business:

Ken Lupton moved that the toss of a coin and straight start by winner of toss be replaced by toss, throw for bull and winner of bull getting to start first.. Motion was defeated and we will continue to toss and winner of toss start the game. The only time that bull is thrown for is if it is a best of 3 event and it is the 3rd leg. As in Nationals

Suggested that our Christmas Party be our future AGM. More attend this function and it finishes off the year. Passed unanimously

Andy Faulkner asked if Forster 2 day teams event can count for 2 points as does Tilligerry. Passed

Neil Ballantine asked if Ryde Ex can have an extra day. If it can fit into calendar then it will be ok. Bob suggested that they should pay money and not vouchers. Neil said members will buy the vouchers

Meeting closed 11.30am
