*"Love in its nature makes a human being like God, as far as is possible for a human being. The soul is intoxicated by the effects of it. Its characteristics are a fountain of faith, an abyss of patience, an ocean of humility. Love, unchangeable tranquility and our adoption as children of God are different from each other only in name. As light, fire, and flame are present in the selfsame operation, so are these three manifestations of the Spirit. When someone is completely permeated with the love of God, the brightness of his soul is reflected by his whole personality as if in a mirror. Therefore, the one who loves God also loves his neighbor. Indeed, the second love is proof of the first."*

- St. John Climacus

Dear Parishioners:

With today's great Solemnity of Pentecost, the season of Eastertide comes to a close, and Ordered Time begins. While Eastertide will no longer be celebrated liturgically, we have to remember that we are LIVING each day in a Post-Resurrection Christendom. Of course, that applies to ALL of the events of Christ's time on earth - his Incarnation, his birth, the Paschal Mystery. While those events happened IN TIME, we live in the fruits of those events. It's important that we allow these past fifty days to become real. We have to invite the Lord into those areas of our lives that need a "resurrection." Will we? We have to allow the Mystery of the Ascension, which was recently celebrated into our lives, and rest in the virtue of hope that it gives us. Will we? With Pentecost, can we open our hearts to the cleansing, renewing fire of the Holy Spirit?
