

Protocols for Worship at Jim Falls UMC

Seating: Keep a 6-foot space between non-family members.

Use every other pew.

Offering: Place the offering plate in the back of the church where members can place their offering.

Hand Sanitizer: Placed at entrances of high touch areas.

Bibles: Recommend people to bring their own bibles.

Remove all bibles and song books from pews.

Have all song lyrics on the projector, so no books needed.

Restrooms: Place sanitizing wipes in restroom for members to clean surfaces after using.

Sign Up Sheets: Keep on the table near the entrance.

Tight spaces: One in one out protocol; have sanitizer available

Order of Worship: Keep it as we do, projected on big screen.

Masks: Required for attendance at services.

Recommendations: Members who feel ill or are uncomfortable attending worship in person should stay home.

Please respect other people's space and maintain social distancing when able. Most of these protocols we are currently practicing, but some are new to us and need to be followed. Thank you.
