

HUDSON HEADLINER

November 21st, 2022

CALENDAR OF EVENTS Nov. 21st - JH BB at Archie at 5:30 p.m.
Nov. 23rd-25th - NO SCHOOL - Thanksgiving Break

STUDENT OF THE WEEK: EMMA SNYDER - 6TH GRADE

ONE THING I WANT TO IMPROVE ON THIS YEAR: Math Fractions
WHAT IS YOUR DREAM JOB? Go into the military/Air Force like my cousin
IF YOU COULD BUILD/DESIGN ANYTHING, WHAT WOULD IT BE?
the tallest building in the world
I DO MY BEST WORK WHEN...there is music playing

I am excited to announce that Emma Snyder is Hudson's Student of the Week! Emma has improved overall in academics this year by paying attention to detail and taking her time when working on assignments. She tries her best and takes the time to ask questions when she needs help. Emma has a great attitude about her school work and she shows grit and determination when trying to master a skill. She also demonstrates the qualities you look for in a friend when interacting with her classmates. Keep up the awesome work, Emma! ~ Mrs. Foster

SPECIAL HAT DAY: Tuesday, November 22nd, your student may pay \$1 to wear a hat. All donations for hat day will be given to Mrs. Warmbrodt's niece, Faith, who just tragically lost her son, Lane, who was only 9. There are many schools that are participating in trying to help Lane's family. Thank you!

BELLS & WHISTLES to people helping people.

THANK YOU for the love and support from the Hudson family through the loss of Mitch.
~ Karen, Jade & Braden Warmbrodt

THE BRIGHT SPOT: In teams, individuals will work together and accomplish a lot more than what they do by themselves.

Preschool: I can't believe it is the week of Thanksgiving! This year is flying by so fast! We will finish our turkey projects today and tomorrow and take them home. We have enjoyed learning all about Turkeys. We learned that they eat leaves, berries and worms! Each student has told me what they are thankful for and at the top of that list is their Moms and Dads! We drew names in class today for our Christmas party. Those names should go home with our projects on Tuesday. The gift needs to be around \$5.00. If you have any questions, please ask! I hope you all have a wonderful and safe Thanksgiving! I am thankful for each and every one of you for sharing your child with me! We have a lot of fun while learning! I will see you back November 28th and we will start all things Christmas! - Miss Stacie

Kind: This week we will focus on a Thanksgiving-themed review of what we have been learning. Please check the back side of the newsletter for our Christmas gift exchange information. I hope everyone has a wonderful and safe Thanksgiving! Let's hope for some decent weather. Thank you and Happy Thanksgiving! - Mrs. Stewart

1st/2nd: This week since we are only here two days we will not have a focus story. We will be doing all things Thanksgiving and review. We will do math as usual. In 1st grade we will continue working with numbers 1-50. On Tuesday we will take a math test over dimes, counting by 10's, and adding/subtracting. In 2nd grade we will continue working on ordering numbers from least to greatest and we will start adding 2-digit numbers. Please check the back side of the news-

letter for our Christmas gift exchange information. Have a wonderful Thanksgiving break! See you back on Monday!

3rd/4th: With this being a short week because of the holiday, our routine in our classroom will be different. I have some fun Thanksgiving activities for us to do this week. I ask that each student read each night for their AR goal, as well as practice their multiplication facts. We are working on our X 2's. The students get excited about this as they like to show off in front of the younger students. We will be doing timed tests and it is my hope that they are able to get these facts mastered quickly. I truly believe with your help this can be accomplished. Have a wonderful holiday! Oh, we will be drawing names in our class for our gift exchange for our Christmas party on 12/16. There is a \$5 gift limit.

5th/6th: Happy Thanksgiving! 5th and 6th graders will be doing some fun activities this week including crafts and a reader's theater. We will also finish our read aloud book "The Watsons Go to Birmingham-1963" and compare the book to the movie. **5th -8th Grade AR Requirements are due Wed. December 14th.** Don't forget to take a book home over Thanksgiving break! **7/8 Comm. Arts:** Students have finished their posters over the setting of "To Kill a Mockingbird". Please look for them on display by the lockers in the hallway. Have a great rest of the week with family and friends!

5/6 Math: This short week will be spent wrapping up any loose ends and reviewing our concepts and strategies. We will be spending extra time on the tougher concepts and multi-step problems. **No tests this week. 7/8:** This week we will try and finish our respective social studies chapters. Also, we will be trying to find a good stopping point on our grammar unit and math to be ready to come back to it after the break. **No tests this week. Hope everybody enjoys the holiday break. – Mr. Ewing**

CHARACTER ED WORD FOR NOVEMBER: THANKFUL – expressing gratitude

Last week the 7th/8th grade researched different projects to make for Thanksgiving. When they found their idea they told me what supplies they would need to complete the project. I purchased the supplies and they got everything ready for the K-2 to make. They had an example made to show the students what they were making. They helped each student make Thanksgiving crafts! Every student had a great time. I am really enjoying watching the students interact. The 7th/8th are taking leadership and responsibility to get things ready. They are also showing compassion and patience while helping the younger students. I am very proud of them! – Miss Stacie

MUSIC: We have just a little over 2 weeks until our performance. Please keep practicing!

CHRISTMAS PROGRAM REFRESHMENTS: Chairperson – Erin Snyder; Helpers – Nicki Munsterman, Katie Bennaka, Amber Brownsberger, Laura Noble, Melissa Basore & Taylor Thomas Thank you, ladies!

K – 2nd Gift Exchanges: At our Christmas parties we will have a gift exchange. The gift should be \$5. Your child should have an envelope with another child's name inside. The name in the envelope is who your student is responsible for giving a gift. Please make sure it is only one or two items. Most Kindergarten – 2nd grade students do not understand why their friend gets to open 5 (\$1) gifts when they only get 1 (\$5) gift. Thank you for being understanding! If you have any questions, or you are not able to send in a gift, please let us know by December 9th, so we have time to get one.
