Kost gemiddeld 27, In fact they are rated the number one supplier of quality tattoo equipment by International Tattoo Art magazine. From tattoo machines to inks of every color, Superior Tattoo sells and services everything a shop needs to create high quality, colorful tattoos.

Because of their position in the industry and relationships with some of the best-known tattoo artists, Superior Tattoo is in an ideal position to author a book of unique flash art. Basic Fundamentals of Modern Tattoo Paperback. Exotic birds and butterflies, hypnotic paisley prints, and flowers galore — these mehndi designs offer colorists an array of exciting challenges. Derived from the ancient art of henna body painting, 31 striking patterns are based on authentic Indian, African, and Middle Eastern sources.

Pages are perforated and printed on one side only for easy removal and display. Each title is also an effective and fun-filled Each title is also an effective and fun-filled way to relax and reduce stress. Tattoo artist Megan Massacre invites adult coloring book fans into her whimsical world of sugar skulls, sailing ships, mermaids, owls, and more. Now you can add your own bold, vibrant colors to her signature edgy and artistic tattoo designs--and tear each perforated page out for display! The Tattoo History Source Book is an exhaustingly thorough, lavishly illustrated collection of historical records of tattooing throughout the world, from ancient times to the present.

Collected together in one place, for the first time, are texts by explorers, journalists, physicians, psychiatrists, anthropologists, scholars, novelists, criminologists, and tattoo artists. A brief essay by Gilbert sets each chapter in an historical context. Topics covered include the first written records of tattooing by Greek and Roman authors; the dispersal of tattoo designs and Topics covered include the first written records of tattooing by Greek and Roman authors; the dispersal of tattoo designs and techniques throughout Polynesia; the discovery of Polynesian tattooing by European explorers; Japanese tattooing; the first 19th-century European and American tattoo artists; tattooed British royalty; the invention of the tattooing machine; and tattooing in the circus. The references at the end of each section will provide an introduction to the extensive literature that has been inspired by the ancient-but-neglected art of tattooing.

Because of its broad historical context, The Tattoo History Source Book will be of interest to the general reader as well as art historians, tattoo fans, neurasthenics, hebephrenics, and cyclothemics. Erick Alayon has been Tattoo professionally since , no other tattooing instruction author can say that! Old info has been updated and new info has been added along with many additional explanations and insights. New topics include: photography, frame geometry, sterilization and more!

While no book on tattooing is truly complete, this book has to be the While no book on tattooing is truly complete, this book has to be the most comprehensive one to date! The Complete Craft of Tattooing will be a great addition to your tattoo library! Please check with your local and state Dept. Over the past century, tattoos have emerged from the underground. From body art's early association with sailors, convicts and side-show acts to the current adoption of tattoo culture amongst celebrities and the mainstream via the tattoo renaissance of the s, this book reveals the entire history. Combining a wealth of visual material from across the many cultures and sub-cultures we associate with tattoos, including fashion, music and art, with examples of some of the most exquisite tattoos ever inked, the book shows over photographs, many published for the first time.

This is a unique examination of the tattoo as a form of personal expression and an intriguing visual guide to the social and stylistic changes of the twentieth and early twenty-first centuries. This visual history will appeal to anyone with an interest in body art and social history, and to anyone planning a tattoo. Enter into a racy world of tattoo art with these edgy, imaginative renditions of flowers, dragons, skulls, hearts, wild animals, angels, and other creatures of fantasy and nature. Perforated pages are printed on one side only for easy removal and display. Each title Sacred tattoos, called sak yant in Thailand, have been around Southeast Asia for centuries and afford protection from accident, misfortune, and crime. Young women get tattooed with love charms in order to attract better partners, while adolescent men use the protective power of their yants in fights with rival youth gangs. For most though, the tattoos serve as reminders to follow a moral code-endorsing positive behavior.

At the time of the application of a sak yant, the tattoo master establishes a series of rules that his tattooed disciples will have to follow for the rest of their lives, At the time of the application of a sak yant, the tattoo master establishes a series of rules that his tattooed disciples will have to follow for the rest of their lives, usually starting with Buddhism's first five precepts. Failure to observe the guru's instructions will cause the sak yant to lose their power. Yet there is more to this than the written word. It goes deeper. This book serves as an introduction to the sak yant, Thailand's spirit tattoos, and the men and women who make them come alive on their skin. Traditional American tattooing has a rich, extensive heritage. Often underappreciated, it represents a true folk art, encompassing design motifs and themes that are expressions of the heart, the desires, loves, and ambitions of the artists and those who wear their artworks.

Clair, George Burchett, August "Cap" Coleman, Percy Waters, Owen James and others the author distilled it into five component colors: black, red, yellow, green, and brown, and developed a new interpretation of Clair, George Burchett, August "Cap" Coleman, Percy Waters, Owen James and others the author distilled it into five component colors: black, red, yellow, green, and brown, and developed a new interpretation of their classic styles. Besides classic designs by the author, the images here include collaborative work with other tattoo designers. Over individual flash designs are reproduced in color as a celebration of the tradition and the hope that it will continue as folk art. This book applies the simple hair stroke patterns from my first e-book "Microblading Patterns: The Beauty Of Simplicity".

Using those simple patterns, I created 30 brows styles for you to use in your real work on clients. There are three male brows styles, and the rest are female. The main objective of this book is to show you how easy it is to create beautiful brows styles by using simple hair stroke patterns. I show you step by step with drawings on computer first before I go on to show you how to simulate the steps on latex skin. In many examples, I use both left and right hands to help In many examples, I use both left and right hands to help right-handed and left-handed artists to see how I create the brows. Another objective is that you will save a lot of money on training! Even though this book does not replace practical training, it does help you practice and learn on your own.

You need to try to push yourself to think and do it all on your own. If you still feel you need training after trying on your own and with others' help, then it's not too late to spend some money on classes. And I do offer classes too. So contact me if you want to train with me! The follow-up to "Tattoo Darling", this includes an introduction by tattoo legend Mike Giant. The fourth volume in this series of stunning tattoo-inspired macabre artwork from Argentinian publisher Arte Tattoo Books.

Large pages showcase each piece beautifully in this gorgeous book. A lush sourcebook of nearly two thousand tattoo designs from artists around the world. From the editors of TattooFinder. Whether you're tattoo-curious or tattoo-crazy, The Tattoo Sourcebook has everything you need to pick and choose the perfect design for you. Browse the nearly two thousand designs included - everything from Celtic and tribal to butterflies and fairies. It's a visual compendium of high-quality, detailed designs from artists all over the world including contributions and commentary from famed tattooists Friday Jones who inked Angelina Jolie and Janeane Garofalo, Lyle Tuttle who tattooed Cher and Jane Fonda, Guy Aitchison, Rand Johnson, Edward Lee, and more. And if you're a tattoo newbie, find out everything you need to know before you get inked.

Crosses, dragons, astrological signs, snakes, phoenixes, and more - this is a treasure trove of inspiration for anyone whose tattoo itch is starting to burn! Legendary American tattoo artist Ed Hardy's groundbreaking tattoos, flash, drawings, and artworks are gathered together for the first time in one brash book. Ed Hardy's b. Accompanying a major exhibition, this profusely illustrated survey of his life in art traces his inspirations, rooted both in traditional American tattooing of the first half of the twentieth century and in the imagery of Japan's ukiyo-e era.

Hardy, raised in Southern California, became intrigued with tattoo art at the age Hardy, raised in Southern California, became intrigued with tattoo art at the age of ten, setting up shop in his parents' den. After attending the San Francisco Art Institute in the s, he rejected a graduate fellowship from Yale to apprentice at studios up and down the West Coast. It was his intention to rescue tattooing from its subculture, "outsider" status and elevate it to at least the level of folk art.

Hardy's success at breathing new life into the art form is chronicled in a plethora of tattoo designs, paintings, drawings, prints, and three-dimensional work spanning fifty years. While the world that inspires him may be lost, Hardy's distinct visual language is vibrantly alive within American visual vernacular, synonymous to some with the spirit of the West Coast itself.

Color your world with the fabulous art of henna tattoo. Mehndi, also known as henna tattoo, is a traditional Middle Eastern art used to adorn the body for weddings and other special celebrations. Today, you can join in the beauty and fun of mehndi with this simple book of patterns and instructions for the body and even home decor objects! Inside, you will find a variety of original henna tattoo patterns that can be applied to the hands, feet, belly and back. And for those who aspire to design tattoos or already work with them, this book is an indispensable guide. Guaranteed to instruct and inspire, it is an essential resource for anyone interested in tattoo art. Forever More. The New Tattoo Hannah Graves 4. Time for a new tattoo? The easy-to-follow, step-by-step instructions and gorgeous photo graphs in DIY Henna Tattoos make learning henna art simple and fun.

And because the tattoo And because the tattoo is from henna, next month you get to try a new and different look! Living in a time when it was scandalous even to show a bit of ankle, a small number of courageous women covered their bodies in tattoos and traveled the country, performing nearly nude on carnival stages. These gutsy women spun amazing stories for captivated audiences about abductions and forced tattooing at the hands of savages, but little has been shared of their real lives. Though they spawned a cultural movement almost a quarter of Americans now have tattoos these women have largely faded into history.

The Tattooed Lady uncovers the true stories behind these women, bringing them out of The Tattooed Lady uncovers the true stories behind these women, bringing them out of the sideshow realm and into their working class realities. Combining thorough research with more than a hundred historical photos, this updated second edition explores tattoo origins, women's history, circus lore, and includes even more personal and professional details from modern tattooed ladies.

A fascinating read, *The Tattooed Lady* pays tribute to a group of unique and amazing women whose legacy lives on. This monograph happily traverses the nostalgic, eclectic and beautifully rendered artistic wonderland of Angelique Houtkamp with a strong focus on her fine-art practice. *Advanced Airbrush Art* Timothy Remus 4. A series of step-by-step painting sequences done with a group of the country's best and best-known airbrush artists.

Each sequence moves from the concept to the planning, layout, and execution. The discussion and captions cover each artist's personal choice for tools, paints, and materials. Subjects include everything from life-like pin-ups to abstract flags painted on custom motorcycles, hot rods, and shirts.

The Craft of Tattooing Erick Alayon 4. *The Craft of Tattooing* was written for the beginning student of Tattooing. This easy to use and comprehensive guide will show you everything you need to know to get started as a Tattoo Artist. Inside you will learn, How to set up and tune Tattoo Machines, equipment you will need to get started, how to get started, tips on outlining, shading and coloring, plus lots more!

Covers advice and technical information to help you get started toward a successful career! The Scottish Gaelic language is growing in popularity due to the media phenomenon of "Outlander" as well as people exploring their ancestry. Many people want a tattoo with a Gaelic word or phrase to tell a story about their Scottish or Celtic roots.

But most people can't find the accurate information about Gaelic that is needed to get a good tattoo. They try to do their own translations instead and end up with embarrassing mistakes. With this book, Gaelic specialist in Nova Scotia provides a guide to how to choose an appropriate word or phrase for a tattoo in the Scottish Gaelic language. The book contains a glossary of nearly authentic Gaelic words and phrases, history and description of the Gaelic language, examples of real-life Gaelic tattoos that went wrong, advice on how to avoid common mistakes, and insights on how to incorporate Gaelic words into a tattoo design that honors and supports the culture.

The book focuses on language and does not contain artwork. This book is for tattoo enthusiasts and anyone with an interest in Celtic, Scottish, and Gaelic language and culture. Stylized images of roses, peonies, and other lush blossoms appear in large, full-page formats that are ideal for colorists looking for more sophisticated images. Wearable art. It contains much beautiful creative art imagination like roses, skull and angels that will help to make a perfect tattoo on your body. The creative designs will not only help your body piece but also in decorating your walls. Most importantly, the book is one of the best sellers in the category of tattooing. The book contains many tattoo style images with amazing photos with excellent printing quality that will provide the live effect while reading the book. If you are new in the field of tattoo or wants to motivate someone then it is worth buying an option with a decent price tag.

If you are an old school guy or girl then you are defiantly going to love this book. The vintage tattoo designs are being rediscovered by a new generation and mostly liked by the people across the world. This book also helps to restructure the traditional tattoo and provides you with a modern and cool look.
