Then, five months later, a seemingly unrelated event occurred: A computer security firm in Belarus was called in to troubleshoot some computers in Iran that were crashing and rebooting repeatedly. In this volume readers will learn: the internal and external demands for these data, the strengths and challenges of their data, and how to best communicate these data to various constituents. Master the fundamentals of statistics and econometrics with "Schaum's" - the high-performance study guide. Wake Up and Smell the Profit: 52 guaranteed ways to make more money in your coffee business Events Management is the must-have introductory text providing a complete A-Z of the principles and practices of planning, managing and staging events.
