

Men's Club,

I am moving forward with our golf tournament at the Revere Golf Course. Attached you will find the list that was created back in 2020. If your name is no longer on the list, it is because your money was refunded per your request.

During the month of February, I need to know;

- a) who would like to play that is not on the list
- b) who on the list no longer wants to play and want their refund
- c) as this is a 2 man tournament, who will be your playing partner

I need all this by February 28th.

From March 1-31, I will be asking for \$218.00 to cover to cost of golf and skins, kp's, etc.

My plan is to have all names and money by April 1, no joke, so I can commit to the course a final count of 32 - 40 golfers.
