### \$50 for 50 Years

Maroon and White is the parent booster and fundraising organization supporting Scarsdale high school athletics, physical education and wellness. Maroon and White raises money to pay for items and activities that are not covered in the school budget, we are celebrating our 50th year this spring.

Our other activities include sponsoring the awards banquets following each season where we host every athlete, manager and coach; approximately 500 dinners at each event.

Maroon and White holds the annual Kari Pizzatola basketball tournament; an event attended by many in the community of all ages. The volleyball, cheerleading, wrestling and hockey tournaments are a few of the other events that take place each year with our support.

Most important is our annual contribution of equipment and services requested by the physical education and athletic department. A partial list of some of the items Maroon and White has donated is below:

AAI ELITE Uneven Bars for Gymnastics
