Staff will undertake training on how to manage complaints in line with their role and responsibilities.

**4.4** Carers Direct Homecare Ltd understands that it can be difficult to separate a complaint from a concern, therefore, Carers Direct Homecare Ltd will follow this policy when any dissatisfaction arises with the service.

**4.5** A full record will be held of all complaints received regardless of the level of seriousness and means of communication. ### 4.6 Safeguarding Concerns

Where a complaint or concern is raised that relates to a Service User being harmed or likely to be harmed, Carers Direct Homecare Ltd will follow its Safeguarding Policy and Procedures in addition to the complaints

## 4.7 Roles and Responsibilities

### All Staff

It is acknowledged that all staff working within Carers Direct Homecare Ltd may be presented with an individual wishing to raise a concern or complaint at any time, therefore staff need to be able to manage this in a sensitive, structured and timely manner. In order to do this staff will:

- Be trained on induction and as a routine measure to ensure knowledge is embedded and refreshed around the complaints procedure
- Have access to the complaints procedure
- Be provided with the opportunity to reflect and learn from complaints as a means of developing and driving quality care
- Appreciate that any feedback from Service Users or their representatives that is of concern needs immediate resolution, where possible, to their satisfaction. Care Plans will be updated to reflect the planned changes to care and the Registered Manager informed of the feedback. Failing to do this may result in a complaint
- Be clearly advised that on presentation of a complaint, swift escalation to management is necessary and purposefully withholding or concealing of concerns expressed by Service Users or their representatives may lead to disciplinary action

### Carers Direct Homecare Ltd Management Team

- The management team at Carers Direct Homecare Ltd is responsible for ensuring compliance with this policy, regulations, improvement planning and having arrangements in place to provide relevant reports and information regarding complaints
- Dr Baljeet Singh is the main point of contact for the receipt, investigation and management of complaints within Carers Direct Homecare Ltd. However, this may be delegated to a senior member of staff within Carers Direct Homecare Ltd who holds the experience, knowledge and competence to investigate and manage complaints
- Carers Direct Homecare Ltd will ensure the procedure for raising a complaint is accessible and displayed prominently in Carers Direct Homecare Ltd on the website of Carers Direct Homecare Ltd and within the Service User information and guides. Alternative languages and formats will be available on request

## 4.8 Compliments and Suggestions

Carers Direct Homecare Ltd welcomes compliments and suggestions and recognises their importance in celebrating and recognising the success of our service and opportunities for improvement. We will engage with a wide range of stakeholders in addition to Service Users to support service development and improvement. We will share feedback with our staff.

## 4.9 One Complaint, One Response

Carers Direct Homecare Ltd will follow the [Local Government and Social Care Ombudsman best practice](#) and where Service Users are receiving services for more than one organisation, we will ensure they can make a complaint to anyone and be provided with a single response following a joint investigation.

## 5. Procedure

### 5.1 Raising Complaints

A complaint can be received by Carers Direct Homecare Ltd either verbally or in writing and can be made by:

- Service Users
- Someone acting on behalf of a Service User and with their written consent, e.g. an advocate, relative, Member of Parliament
- Someone acting on behalf of a Service User who is unable to represent his or her own interests, provided this does not conflict with the Service User's right to confidentiality or a previously expressed wish of the Service User

Carers Direct Homecare Ltd will ensure that Service Users are given information on how to make a complaint and the process once a complaint has been made, including any agreed timescales.

### 5.2 Time Limits for Submitting a Complaint

Complaints should be submitted within 12 months of the incident or concern arising.

The time limit, however, can and should be waived, if:

- It is still practical and possible to investigate the complaint (the records still exist and the individuals concerned are still available to be questioned, etc.) and
- The complainant can demonstrate reasonable cause for delay in making the complaint

It is at the discretion of the manager of the service if the time limit can be set aside. Due to

Covid 19 Pandemic the response times may vary.

### 5.3 Complaints Procedure:

#### Step 1

When a complaint is raised to staff, staff will make an effort to resolve it immediately to the satisfaction of the complainant.

#### Step 2

Staff will apologise for the fact that there was the need to complain in the first instance and explain the complaints process as described in the procedure steps.

#### Step 3

Staff will report the complaint to the most senior member of staff on duty and the complaint will be logged.

#### Step 4

Formal acknowledgement of all complaints received (whether verbal or written) will be sent within 3 working days to the complainant. This could be via letter or email. Carers Direct Homecare Ltd will have a local system in place to manage out-of-hours and weekend complaints received.

The acknowledgement will include:

- An invitation to meet and discuss the complaint
- Who will be investigating the complaint
- How the investigation will be handled - the response should state what the investigation will be focussed on
- A time limit for the investigation to be concluded. This should be 28 days; however, some cases may take longer and the complainant will be made aware of this
- The complaints procedure and contact details of bodies that can be accessed in the event of dissatisfaction with the outcome of the investigation

#### Step 5

Following a full investigation, a response letter will be sent and this will include the following:

- A summary of the issue from the complainant's point of view
- Details of the evidence and sources consulted in order to investigate the issue fully and fairly
- A presentation of the findings for each issue clearly and concisely described
- A conclusion, stating clearly whether the issue is "upheld", "partially upheld" or "not upheld"; unless it is ineligible, in which case the reason for this will be given, e.g. out of time or out of jurisdiction
- An explanation of the outcome and whether any remedial action or learning points arise from the investigation of that issue

- An apology where the issue is upheld and shortcomings or failings have been found
- The complainant's rights if not satisfied with the outcome to refer to The Local Government and Social Care Ombudsman
- A signature from the responsible individual or sent by email in their name

## Step 6

The complaint will be closed once confirmation has been received that there is satisfaction with the outcome. In the event of dissatisfaction, Carers Direct Homecare Ltd will support the complainant to access further support (refer to section 5.6)

### 5.4 The Complaints Log

A record will be held of all complaints raised and contain the following information:

- Each complaint received
- Subject matter and outcome
- Details of any reason for delay where investigations took longer than the agreed response period
- The date the report of outcome was sent to the complainant

Where complaints relate to a Service User, a copy of the complaint will be held in their care records so that the Service User can reflect on the recommendations.

Where complaints are raised by telephone, the log will include the date and time of the call and this will be followed up with written confirmation of the areas discussed.

Where a complaint indicates the potential abuse of Service Users, safeguarding policies will be followed as per local authority expectation and necessary notifications made to the regulatory body. Where care is commissioned by Leicester City Council their reporting procedure for notifying them of complaints will be followed.

Where complaints are to be shared as part of learning, the complaint will be anonymised so there is no identifiable Service User information.

### 5.5 Investigations

All investigations will be managed by using the following approach:

- Investigating the fact
- Assessing evidence
- Review of records
- Interviewing those involved

Where necessary, advice and support will be sourced via senior managers within the organisation. The complaint must be investigated by a member of staff with the knowledge, experience and seniority to undertake the investigation robustly.

Confidentiality of information will be considered at all times and staff will adhere to the confidentiality policies and relevant codes of practice.

If an investigation of a complaint results in disciplinary action of staff within Carers Direct Homecare Ltd, the complaint will continue to its conclusion. The complainant will be informed that the investigation has led to disciplinary process, but the details of the outcome or ongoing investigation will remain confidential.

## 5.11 One Complaint, One Response

Where more than one organisation is involved in the Service User's care they, or their representative, will be able to complain to any of them and Carers Direct Homecare Ltd will contact the other organisations, carry out a joint investigation and provide a single joint response. Service Users must not have to contact each organisation separately.

If someone complains and Carers Direct Homecare Ltd is not responsible for the care or service complained about, rather than turning them away, Carers Direct Homecare Ltd will share the concerns with the correct organisation(s). You will need the individual's permission to do this. If the person prefers that their complaint is not shared with another organisation (or organisations), Carers Direct Homecare Ltd will signpost them to the right organisation instead and provide the person with their contact details.

## 1. Introduction

We always aim to provide a high standard of care in all our services.

Our Service Users' views are important to us and help to ensure our services are consistently meeting people's needs. If you are unhappy with any of our services, it is important that you let us know.

If a complaint alerts us to possible abuse or neglect, we will tell the Council's Adult Safeguarding Team. The Safeguarding Team will decide how to investigate and monitor outcomes.

## 2. Making a Suggestion

Often people feel more comfortable suggesting improvements than complaining formally. Suggestions can be made by anyone receiving services, or their friends/family. To make a suggestion you can:

- Speak to the Manager or their Deputy
- Utilise available comments or suggestion boxes if you would rather make your suggestion that way
- If the suggestion is something that Carers Direct Homecare Ltd as a company needs to consider you can send it to:

Registered Manager

## 3. Making a Complaint

We aim to handle complaints quickly, effectively and in a fair and honest way. We take all complaints seriously and use valuable information from investigating to help us improve the service we provide. We treat all complaints in confidence. Due to Covid our response to your complain may be slower than normal.

Carers Direct Homecare Ltd assures Service Users and their families that it will not withdraw or reduce services because someone makes a complaint in good faith.

## 4. Who Can Complain

Anyone affected by the way Carers Direct Homecare Ltd provides services can make a complaint.

A representative can make a complaint for the affected person if they:

- Have died
- Cannot make a complaint themselves, or
- Have given consent for the representative to act on their behalf

If you are not happy about making a complaint yourself and you do not know someone who can talk or write to us on your behalf, we will be happy to find someone from an independent organisation to act as an advocate for you.

## 5. How You Can Make a Complaint

You can complain:

- In person
- By telephone
- Through a member of our staff
- Through an advocate or representative

*Where someone complains verbally we will make a written record and will normally provide a copy of it within 3 working days. Please note due to Covid 19 Pandemic the response times may vary.*

Carers Direct Homecare Ltd  
50 Main Street, Leicester, Leicestershire, LE5 6GB

- By letter
- By email (not in the covid 19 pandemic please)

## 6. Anonymous Complaints

We deal with anonymous complaints under the same procedure. However, it should be noted, if you provide contact details, we can update you on the outcome of our investigation.

## 7. Responsibility

We will provide as far as is reasonably practical:

- Any help you need to understand the complaints procedure
- Advice on where you may get that help
- Information about making a complaint in a way you can understand

## 8. How We Handle Complaints

The Registered Manager or Carers Direct Homecare Ltd may ask one of the management team to investigate the complaint. That person will have enough seniority and experience to deal with the issues raised by the complaint.

We will formally acknowledge a complaint within **3** working days and give you the name and contact details of the person investigating it. We are taking more time to resolve the complains raised ( if any) due to Covid 19 restrictions and pandemic struggle.

We will keep you informed about the progress of the investigation. We aim to have all complaints finished within **28 working days** unless we agree a different time scale with you. **Please note: In Covid the time could be 56 working days.**

When we have finished investigating, we will arrange to meet with you to discuss the outcome, and write to you with:

- Details of the findings
- Any action we have taken
- Our proposals to resolve your complaint

## 9. Time Limits

You should complain as soon as you can after the date on which the event occurred or came to your notice. If you complain more than twelve months later, we may not be able to investigate properly. However, we will consider whether you had a good reason for not making the complaint sooner and whether, despite the delay, it is still possible to investigate the complaint effectively and fairly.
