Tea Party Fundraiser Recap:

I am so excited to report our **Tea Party Fundraiser** on Saturday, November 7, 2020, was a great success!! We had a fun time in the Lord studying the topic "Journey" and sipping on tea! What a fantastic fellowship and rich word! Thank you to everyone who supported this event with a pledge. Supporters like you make it all possible to endure the challenges associated with planning outreach missions.

Thank you all for believing in the Vision of Soul-Lifted Sisters Prayer Ministry. I can't wait to do it again in 2021!! 😊. See you all next year!

November Outreach Services Recap:

Our November Outreach was so special. We were able to work in collaboration with other ministries to bless the community. What a great partnership and blessing this was to the Homeless Community. Thank you volunteers for your hard work. Thank you seed sowers for your financial support.

We also donated well-stocked care packs to Angels from Heaven Ministry. They were so grateful, and it was our pleasure to assist them to reach their 400 goal.

We also blessed many families with Food Baskets and gift cards for Thanksgiving.

Our Holiday Bereavement Cards went out on November 17th.

God has been so good to our Ministry and we are so honored to be able to bless others. Thank you supported for helping make all of this happen! Your generosity, faith, love, and seeds helped make this all possible.

Community Outreach

Although we cannot physically visit the residents in the Nursing Homes this year due to the Pandemic, we will still bless them with gifts which will be dropped off December 21, 2020. We will also be donating baskets and toys to families in need.
