1999 Hurricane Dennis	Served as the Emergency Operations Center (EOC) manpower pool director for Womack Army Medical Center. Worked with county emergency service managers in coordinating military medical coverage to responders and volunteers in North Carolina.	Manpower Branch Director
1999 Hurricane Floyd	Served as the EOC manpower pool director for Womack Army Medical Center. I worked with county emergency service managers in coordinating military medical coverage to responders and volunteers in North Carolina.	Manpower Branch Director
2005 Hurricane Katrina	In the wake of damages from Hurricane Katrina in western Kentucky, Worked extensively with County and State agencies in the recovery of damages to our community, to include the flooding and destruction of my personal home. Worked with government to require updates of local GIS flood maps and re-evaluate decisions to purchase homes damaged in repeated floods in vulnerable areas.	Community Responder
2009 Kentucky Ice Storms	Worked with officials to ensure the safety of local population, provided continuity of operations planning for local responder groups in efforts to ensure roadways remained open for emergency response and commerce during the costliest natural disaster in the state's history.	Planning Section (Fire Department)

Seán P. Fay, M.S., CHEP, CEM

sean.fay@johnstoneandlloyd.com

2012 Operation Emmy-stastrophe Extraction / Medevac Exercise	Fire / Rescue exercise for 125 firefighters from 17 agencies, featuring live-action extraction of personnel from overturned vehicles, establishment of field-expedient helicopter landing zones, and evacuation of patients by air-ambulance. Also featured community education and rescue capability awareness for the community.	Exercise Director
2012 Operation Aurora's Legacy	Exercise featuring deployment of two prototype tracking and communications programs to assist responders in defeating active shooters and assist schools/hospitals in tracking and communicating with employees and students in crisis. Both systems are now commercially available.	Planning Section
2013 Boston Marathon Bombing	Provided unclassified real-time tracking of incident information with regard to casualties, evacuation, hospitalization, and media responses of incident agencies. Provided feedback to Department of Justice PIO.	Planning Section
2013 Operation Animal Crackers	Exercise focusing on the care and sheltering of domestic animals in response to unplanned requirements for resident sheltering.	Security Branch Director
2013 Operation Hermes Boston Medical Center	Exercise focusing on evacuation of medical school, activation of Crisis Action Teams, and subsequent business continuity challenges following the incident.	External Evaluator
2013 Operation Moneyball	Communications exercise focusing on real time tracking of various communications media: (TV, radio, internet news, social media) to monitor progress of Major League Baseball Trades on the final day for deadline for trades. Emphasis on comparison of reliability of various media and use of multiple sources to confirm operational data.	Communications Team Leader
2013 Operation Moose Tracks	Communications and patient tracking exercise between hospitals in Fairbanks, Alaska and Boston, MA. Focus on Radiation care and communications with family members accompanying patients.	External Evaluator
2013 Operation Remote Control	Exercise focusing on real time accountability and tracking of college students in the midst of an incident. Use of various emerging technologies to track, monitor, and communicate with students.	Operations Section

Seán P. Fay, M.S., CHEP, CEM
sean.fay@johnstoneandlloyd.com

2013 Operation Silver Streak	EOC management exercise centering around the actual operational timeline for the Red Bull Stratos world record parachute jump in real time.	Planning Section Chief
2013 Operation Starting Gun	Deployment of over 120 veteran disaster responders to Moore, OK with Team Rubicon USA following the May 2013 tornado outbreak. Integrated responders from across the USA to assist in damage assessments, search & rescue, and recovery operations. Established guidelines for responder health and safety, and provided operational guidance to Incident Commander.	Safety Officer
2013 Operation Tanglewood Twister	Planning exercise focusing on evacuation and treatment response to an adverse weather event which generated mass-casualties at a popular concert venue. Additional focus on media communications during and following the incident.	Planning Section Chief
2013 Plainville School Active Shooter Training	Participated in training over 75 law enforcement officers from 23 departments on latest techniques to defeat active shooters in a school setting and deal with mass-casualty scenarios.	Operations Section
2013 Shelter Exercise	Exercise focusing on the challenges associated with sheltering displaced residents in the event of environmental or security threats in an urban environment.	Facility Branch Director
2014 Boston MBTA Active Shooter Exercise	Participated in full-scale mass-casualty exercise training Police, Fire, EMS and public transportation system workers on latest techniques to defeat and respond to active shooters in a public subway station.	Operations Section
2014 Mass DOT Integrated Communication Incident Tunnel Exercise (INCITE)	A full-scale exercise of the MassDOT Project to test the ability of MassDOT and emergency agencies to respond to an emergency in the Sumner Tunnel under Boston while facing communications and traffic challenges.	Operations - Role Player and Embedded Evaluator

Seán P. Fay, M.S., CHEP, CEM

sean.fay@johnstoneandlloyd.com

<p>2014 Neonatal Intensive Care Unit Evacuation Exercise</p>	<p>A full scale exercise to test the evacuation capabilities of a major Medical Center NICU coupled with an evaluation of the ability of the Boston EMS Special Operations Team to reconfigure the city's dedicated Mass Casualty Incident Bus to accommodate multiple neonatal patients.</p>	<p>External Evaluator</p>
<p>2014 Town of Wayland Shelter & Civilian Emergency Response Team Activation Exercise</p>	<p>A full scale exercise to test the capabilities of the Wayland Civilian Emergency Response Team (CERT) to establish a shelter at a pre-designated facility and accommodate the diverse needs of a multicultural population, with particular emphasis on the needs of pet owners, non-English speakers, and vulnerable populations in disaster.</p>	<p>Senior Evaluator</p>

<p>2014 Boston Marathon</p>	<p>Served as Operations Chief for a rapid response Red Cross Contingency Station. Staged to deploy to pre-designated locations, receive displaced runners and spectators, and provide immediate services in the event of a large-scale disruption of the Boston Marathon.</p>	<p>Operations Chief Wellesley, MA Contingency Station</p>
<p>2014 Urban Shield Boston</p>	<p>Full-scale exercise, involving over 600 emergency responders from 50 agencies, designed to assess speed, effectiveness and efficiency of capabilities and test the adequacy of regional policies, plans, procedures and protocols. Incorporated regional critical infrastructure, emergency operation centers, regional communication systems, equipment and assets, as well as personnel representing all aspects of emergency response including intelligence, law enforcement, Explosive Ordinance Disposal Units, Fire, EMS, etc.</p>	<p>Senior Evaluator Boston Medical Intelligence Center</p>
<p>2014 Operation Ready Logan Airport Aircraft Water Rescue Exercise</p>	<p>Full-scale exercise of Logan Airport's ability to conduct a maritime rescue of hundreds of surviving passengers from the wing of a downed aircraft one mile offshore.</p>	<p>Role Player and Embedded Evaluator</p>
<p>2014 Operation Mercy Lift Mass Casualty Evacuation Exercise from Nantucket to Mainland</p>	<p>Operational Exercise to evaluate and establish best practices for a new state-wide SOP for integration of Army National Guard Medevac helicopters, civilian Life Flight helicopters, and Coast Guard Fixed wing assets into an interoperative plan to effect large scale medical transport of injured persons from the Massachusetts islands.</p>	<p>Exercise development team member and Evaluator.</p>

Seán P. Fay, M.S., CHEP, CEM
sean.fay@johnstoneandlloyd.com

2014 Operation Midnight Ride	Deployment of members of Team Rubicon Region I to Revere, MA in response to an EF-2 tornado. Provided direct assistance to homeowners via debris removal and repair.	Strike Team Member
2015 Operation Zombie U II	Full-scale Point of Distribution exercise, involving over 400 participants, to test the ability of the University to effectively disseminate critical pharmaceutical supplies to the entirety of the University family in response to a notional zombie plague outbreak.	Exercise Director
2015 Operation Toxic Knight	Full-scale Active Shooter/HAZMAT exercise conducted at University of Central Florida in order to test University, hospital, community, and responder interoperability. Over 600 participants involved.	EMS Evaluator
2015 Sonken Building Active Shooter Exercise	Full-scale Active Shooter exercise that transitioned to a hostage situation. Conducted in a High School Building at Nova Southeastern University, FL. Over 150 participants involved.	SWAT Evaluator

2015 Operation Summer Shepard	Multi-station emergency preparedness training event designed to train University Resident Assistants and Security Assistants in emergency response to a variety of scenarios: from Active Shooter, to building fire, to medical emergencies. Over 200 participants involved.	Exercise Director
2015 Operation Coral Cascade - Tabletop	An environmental protection Tabletop Exercise developed to test the University's Situational Assessment, Environmental Response, and Public Information & Warning capabilities and the completeness of the University Fuel Spill Response Plan. 33 separate agencies and 66 participants.	Exercise Facilitator
2015 Operation Coral Cascade – Full Scale	A Full-scale environmental protection exercise to test the improvements and effectiveness of the University Fuel Spill Response Plan and the ability of local, regional, state, and federal agencies to respond to a significant fuel spill into the environmentally and commercially sensitive waters between Virginia Key and Key Biscayne. 48 separate agencies and over 200 personnel involved.	Exercise Director

Seán P. Fay, M.S., CHEP, CEM

sean.fay@johnstoneandlloyd.com

2016 Operation Tank Explosion CERT Exercise	A multi-station functional exercise to test Campus and County CERT Team capabilities. Over 70 players and responders participated and were evaluated in Medical, Fire, Search & Rescue, and Command & Control situations.	Exercise Director
2016 Republican National Debate at University of Miami	Provided logistic support to all agencies affiliated with the University Emergency Operation Center. Directed the activities of the University CERT team in support of Law enforcement and security operations.	Logistics Chief
2016 LASER Active Shooter Response Training	Coordinated delivery of the Law-enforcement Active Shooter Emergency Response (LASER) train-the-trainer event at the University of Miami. The 3-day course prepared students to teach the technical aspects of planning and implementing a rapid law enforcement deployment to an active shooter event.	Training Coordinator & Class Participant
2016 Operation Aegis Shelter Exercise	Workshop and Functional Exercise designed to test the University's plan for emergency sheltering of students unable to evacuate in the face of a Category 3 hurricane. Established a Hurricane Evacuation Center at a local High School in conjunction with Housing & Residential Life, American Red Cross, County Emergency Management, & school department.	Exercise Director
2016 Operation Aspen Security Exercise	Workshop and training drills designed to familiarize Campus Safety, Marine Operations, and Facilities staff members with proper response protocols in response to a migrant landing at the University's Marine campus.	Exercise Director
2017 KKK / Antifa Protests Pikeville, KY	Served as Incident Commander. Led security and mitigation efforts to prevent damage to our campus and our organization's people, property, environment, and brand. Worked successfully to prevent our brand being associated with any portion of the event, prevent loss of the public trust in our system, and keep our organization's name out of the news.	Incident Commander

Seán P. Fay, M.S., CHEP, CEM

sean.fay@johnstoneandlloyd.com

<p align="center">2017 Total Solar Eclipse Fairview, KY</p>	<p>Served as EOC Director and Operations Chief at the largest Confederate Memorial in the United States (located 10 miles from the point of greatest planetary totality) during the 2017 Total Solar Eclipse. (At the time, Confederate memorials were being attacked and defaced regularly.) Protected and supported two major outdoor events, totaling over 10,000 people, during the eclipse without significant incident.</p>	<p align="center">EOC Director and Operations Chief</p>
<p align="center">2017 Active Shooter Exercise</p>	<p>Served as exercise evaluator and assistant instructor in a Civilian Response to Active Shooter Events (CRASE) training and practical exercise. Trained over 30 people in active shooter response in a college environment, followed by multiple live-action active shooter scenarios.</p>	<p align="center">Exercise Evaluator</p>
<p align="center">2017 Hurricane Harvey Houston, TX</p>	<p>Served as a volunteer Emergency Management coordinator in supporting the joint military/civilian medical response. Advised unit leadership, coordinated logistics actions, reunited survivors, and assisted in developing processes to streamline operations.</p>	<p align="center">Emergency Management Advisor</p>
<p align="center">2017-2018 Central American Diaspora</p>	<p>Program Manager for national-level DHS/HHS contract initiatives dedicated to improving the nation's capacity for resilience relating to vulnerable populations and children. Coordinated the reunification of over 40,000 unaccompanied minors.</p>	<p align="center">Program Manager</p>
<p align="center">2021 Operation Artemis San Antonio, TX</p>	<p>Operations Officer/Emergency Manager for HHS Emergency Intake Site (Humanitarian Shelter) in San Antonio, TX. Coordinated no-notice sheltering, care, feeding, medical and mental health support, education, and eventual family reunification of 2,181 unaccompanied children over a two-month period. Developed plans, policies, & procedures to increase shelter survivability and resilience.</p>	<p align="center">Operations Officer / Emergency Manager Assistant Program Coordinator</p>
<p align="center">2021 Operation APS Nova Dulles, VA</p>	<p>Movement Control officer in support of US Department of State (DoS) for transport of over 54,000 Afghan Refugees. Coordinated patient and passenger movement. Managed multiple fleets of motorcoach buses, van/taxis, and various shuttle systems between over 20 destinations up to 2,000 miles away.</p>	<p align="center">Transportation Branch Director</p>

Seán P. Fay, M.S., CHEP, CEM

sean.fay@johnstoneandlloyd.com

<p>2021- 2022 Operation Allies Welcome</p>	<p>Coordinated activities of - and provided a full range of logistic and administrative support to - a select team of senior Liaison Officers in support of the DoS Operation Allies Welcome. Coordinated efforts to reunite members of the Afghan diaspora with the last of their personal possessions. COMMUNITY INVOLVEMENT

Team Rubicon USA

Region IV Volunteer Responder

- Incident Management Team member: Served as mission Safety Officer for "Operation Starting Gun", (the Team Rubicon relief mission) in response to the 2013 Moore, OK tornado outbreak. Over 400 responders deployed to provide direct assistance to those affected by the incident.
- Veteran Disaster Responder: Responded to incidents within New England. Provided direct assistance to homeowners affected by an EF-2 tornado in Revere, MA via debris removal and repair. Nationwide

American Red Cross

Disaster Instructor & Volunteer Disaster Action Team Responder

- Participates in 24/7 Red Cross community operations to provide food, shelter, and comfort for families affected by major disasters such as fire, hurricanes and tornadoes; as well as responds to smaller scale incidents such as apartment complex and single-family fires. Multiple nationwide locations

Stick Vet Crisis Intervention Team

- Provides real-time outreach and remote support to Veterans at immediate risk of self-harm. Monitors private social media discussion groups to identify at-risk combat veterans in crisis. Engages, and mobilizes other trained volunteers to engage, in various veteran-specific suicide prevention modalities while performing a forensic search of the individual's online presence in order to notify friends, loved ones, mental health professionals, and/or law enforcement to perform physical interventions as needed.

Worldwide

Marine Animal Rescue Society - MARS

Volunteer Emergency Responder

- Provided emergency response to stranded dolphins, whales, manatees, and other marine mammals in southeastern Florida and the Keys. Established incident command, stabilized animals and provided informed and appropriate care, interfaced with Department of Fish & Wildlife or NOAA, consulted with other marine scientists, and provided assistance with rescue or necropsy activities, Miami, FL

Medical Readiness Corps

Volunteer Responder

- Provides assistance to Medical Reserve Corp activities such as community immunization clinics, public health awareness campaigns, and other activities. Maintains readiness as part of a contingency pool of volunteers to respond to disasters as needed. Provides exercise evaluations & participates in training for law enforcement agency scenario-based training (Urban Shield, Active Shooters, aircraft water landings, Points of Dispensing, etc.).

Multiple nationwide locations

Seán P. Fay, M.S., CHEP, CEM
sean.fay@johnstoneandlloyd.com

Burning Man Project

Firefighter Supervisor & Emergency Medical Responder

- Provided emergency services to 68,000 people in an austere environment. Served as Fire Division Supervisor for CORE Burn and RIT Team leader for the Burn of The Man. Served as Emergency Medical Responder and Firefighter throughout the event.

Black Rock City, NV

VFW (Veterans of Foreign Wars)

Member at Large

Worldwide

DAV (Disabled American Veterans)

Life Member - Chapter 28

Braintree, MA

Fairview Volunteer Fire Department

- Various operational and leadership roles (see above)

Fairview, KY 42221

Medical Readiness Corps Volunteer

(2011-2012)

- Provided assistance to Medical Reserve Corp activities such as community immunization clinics, public health awareness campaigns, and other activities. Maintains readiness as part of a contingency pool of volunteers to respond to disasters as needed.

Todd County, KY

American Red Cross

Health and Safety Instructor (1992-2008)

- Served as volunteer CPR, First Aid, ACLS, & PALS instructor for military and civilian responders and healthcare providers in domestic and international settings.
Served as volunteer swimming and water safety instructor in a variety of settings. Worldwide

Cape Fear Classics Car & Truck Club

Founding President (1997 -2000)

- Established a civic improvement organization based around a common interest in classic automobiles. Responsible for official organization of the club, marketing, promotion, writing & publishing regular newsletters, and new member recruiting. In 30 months, starting from a concept, recruited over 450 families in 14 states and 6 countries as members. Organized multiple car-related civic events, restored classic cars for charities and raffled them off, assisted in raising over \$100,000 for various events, including a major fund raiser for Hurricane Floyd Flood Relief. Awarded Military Outstanding Volunteer Service Medal for efforts.

Fayetteville, NC
