

PATERSON GOLF CLUB MONTHLY NEWS

KING PARROT MINUTES

Pictured | Down the 1st tee box towards the green.

NOVEMBER 2022

A full month of activity continued throughout a warm, dry & at times gusty November with the course well & truly firming up & now in need of some moisture to soften the tees, greens & fairways.

December will see our 2022 Paterson Open staged with almost a full field booked in a week out from the event. The Open is coupled with a number of our regular favourite competitions including the Skins Final (10-Dec), the Kevin Rudd Trophy (17-Dec) & our annual Ham Day (17-Dec).

A big thank you once again to our volunteers for the mountain of mowing, whipper snipping & spraying which has taken place across the property. The rough height has also been slightly lowered which should assist in reducing the search time for balls.

As we approach the festive season, best wishes to all our members, regular visitors & their families for the Christmas & New Year period. Thank you for your support throughout a challenging year!

@Paterson Golf Club

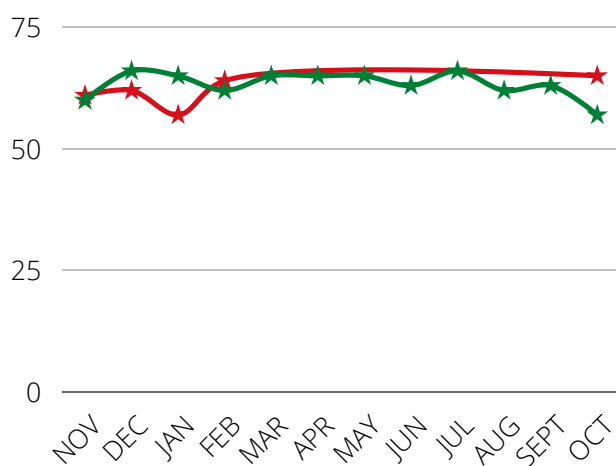

MONTHLY MEDAL WINNER - NOVEMBER

Congratulations to **Stephen Watson** for claiming the **November Monthly Medal** with 60 Nett.

Stephen claimed the medal over Wayne Stedman who carded a 63 Nett.

Our next Monthly Medal is scheduled for Saturday 3rd December.

CLUBHOUSE UPDATE

with Paterson GC Committee

Our **AGM** was held on Saturday 20th November with the following Members elected: **President** - Wayne Stedman, **Vice President** - Brian Mowle, **Secretary** - James Cowled, **Treasurer** - Michael Cairney, **Vice Treasurer** - Stephen Watson, **Captain** - Ramsey Vane-Wood, **Vice Captain** - Rigby Vane-Wood, **General Committee** - Denis Crossman, Michael Shanley, David Singles, Graeme Valentine & Jordan Wilkinson. Thanks to all our Members for putting their hand up to fill these key functions within the club.

EFTPOS facilities kicked off during November with players able to pay their competition green fees & refreshments more conveniently. You may have also noticed **QR Codes** located near our honesty box with allows both members & visitors to pay via credit card for their social rounds as opposed to bank transfers.

Our river pump, which supplies water from the nearby Paterson River to our main dam, was repaired & put back in position for the first time since March. Heading into the warmer season this supply of water is critical for the overall maintenance of the course. Thanks to our committee who worked through this project diligently & also saved the club significant funds by completing the repairs without engaging external resources.

UNDER PAR COUNT

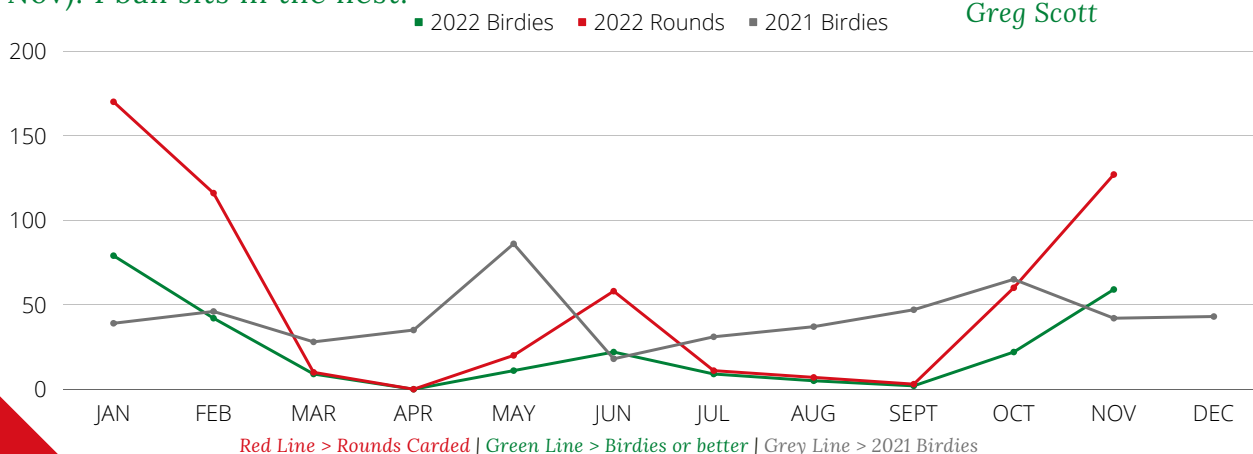

Throughout the November Saturday Open Competitions, **127 rounds** were lodged, with players scoring a total of **59 birdies** or better. **Greg Scott (6)** rolled in **5 birdies** to lead the count. The 15th hole accepted the most birdies or better (including an eagle) with a total of 11 throughout the month with the next best being the 1st with a count of 9. Naturally the 3rd, 13th, & surprisingly the 18th played the hardest with no birdies recorded against any of these holes.

5th Nov | 12 birdies
12th Nov | 18 birdies
19th Nov | 15 birdies & 1 eagle
26th Nov | 14 birdies

Eagles Nest | Benjamin Curry claimed 11 balls after his eagle on the 15th (19-Nov). 1 ball sits in the nest.

PATERSON CUP | JUL > DEC

Stephen Watson has taken control of the **Paterson Cup** heading into the final month of play with a 13 point lead over Jordan Wilkinson. Wayne Stedman accumulated the highest points tally throughout the month with an impressive total of 150 resulting in him sitting in 6th place overall.

The third & fourth stages of the Paterson Cup have been combined due to limitations in weekly play earlier in the season. Points will continue to be distributed to Paterson Golf Club Members throughout every Saturday competition from July through until December. Points are allocated to each Member based on their ranking in the respective competition with players who finish in the overall top 3 of each event being allotted scaled bonus points.

2022 BOB MURPHY CUP CHAMPIONS (2BBB)

The annual Bob Murphy Cup - 2 Ball Best Ball Championships were held throughout November following a postponement earlier in the season.

A total of 13 teams lodged cards across the 2 week event with brothers Joshua & Jackson Hutchison holding an early lead with a total of 48 points in week 1.

Congratulations to both **Greg Barry & Stephen Hawes** who claimed this years title by the tightest of margins with a countback required after they tied with Stephen & Phillip Watson on 89 points respectively. The team of Greg & Stephen prevailed with a higher total in the Final Round of 43 points just a single point better than the Watsons.

To view the results follow this [link](#).

Thanks to all our Members for their support throughout both weeks for this season. The event will return again in 2023.

2022 SKINS FINAL SATURDAY 10TH DECEMBER

After a strong start, with 4 rounds completed throughout January & February, our Stableford Skins will culminate with the **Final** scheduled in conjunction with the daily competition on **Saturday 10th December**.

Congratulations to the top 8 players from a field of 15 who have qualified for the final & will be separated into 2 groups of 4 based on their ranking in the overall tally.

Players have been automatically allocated into the 8:20am (Div 2) & 8:30am (Div 1) timeslots for December 10th; should players not be able to attend please remove yourself from the [Booking Portal](#) ASAP.

In the event of withdrawals, the divisions will be adjusted with the next highest ranked player shuffled up to contend for the cash.

To view to full standings follow this [link](#).

LOOKING FOR A NEW GOLF BALL? GIVE ONE OF THESE 8 A TRY

with [Golf.com](https://www.golf.com)

There are plenty of great golf balls out there to choose from, but it's imperative you find the right one for your game. Here's a look at some of our favourites that we think you should tee up right away.

Bridgestone Tour B XS | \$80 per dozen

The three-piece Tour B XS (which also includes a Tiger Woods edition) comes built with a REACTIV iQ seamless, smart cover for faster tee shots and more spin on shorter shots. It's specifically designed for golfers with swing speeds above 105 mph who want more spin in a Tour-calibre ball, and, yes, it's the same model Tiger helped develop and the one he puts into play. Other models in the Tour B line include the Tour B X, XS and RXS.

Callaway Chrome Soft | \$80 per dozen

Made for a wide range of players — from Tour professionals to weekend warriors — the three-piece, urethane-covered Chrome Soft produces big distance off the tee, low spinning iron shots and added greenside control in a ball that feels pillowy soft, thanks to its Hyper Elastic SoftFast core. The Chrome Soft is available in a variety of cover styles with alignment and visual aids and comes in either Chrome Soft, Soft X or Soft X LS.

Mizuno RB Tour | \$70 per dozen

The four-piece, urethane-covered RB Tour produces low spin rates off the tee while at the same time high levels of greenside spin for added control. The 330 C-dimple pattern is tuned for better aerodynamics in the wind. It also comes in an RB Tour X model for golfers who want the same aerodynamic properties but in a slightly firmer ball that generates more spin with the driver.

Srixon Z-Star Diamond | \$60 per dozen

Designed for serious players who want more spin with their middle and long irons while still keeping driver spin rates slow and short shot spin rates high, the three-piece Z-Star Diamond is the latest in the growing Z-Star family of Tour-level golf balls. It comes with a thin urethane cover with Spin Skin, a FastLayer core and a compression rating of 102. Other models in the Z-Star line include the Z-Star X and XV.

Titleist Pro V1 | \$90 per dozen

The latest iteration of the famed Pro V1 comes with a softer urethane cover for more spin around the greens and a faster casing layer for more ball speed and a lower spin rate with the longer clubs in the bag. The middle of the three-piece Pro V1 has been reworked, too, with a ZG Process core for more distance. Also comes in the Pro V1x, which provides a firmer feel with a higher ball flight and a touch more spin.

Wilson Staff Model | \$70 per dozen

The four-layer, urethane-covered Staff Model ball comes with a carefully painted, seamless cover design and multilayer construction to produce maximum distance off the tee with longer clubs while at the same time producing higher spin rates around the greens. The inner mantle is the engine for added spin and the V-Cor core is what helps the ball produce maximum distance with the longer clubs. Also available is the Staff Model R, featuring an unpainted urethane cover for added performance.

TaylorMade TP5 | \$70 per dozen

The new Tour Flight dimple pattern on the TP5 helps maximize carry and generate a steeper angle of descent for extra stopping power on the greens and added control. The five-layer, urethane-covered ball includes a Speed-Layer System and High-Flex Material for more ball speed and Tri-Fast core for added carry. Also available in a TP5x model for those who want a slightly less high launch with lower iron spin.

Vice Pro Plus | \$65 per dozen

Designed for golfers with fast swing speeds who are looking for Tour-level performance, the Pro Plus is a four-piece, cast urethane-covered golf ball that produces low-launch/low-spin for added distance. For short shots, Vice's "stick to the green" (S2TG) tech adds spin for greater control. It comes in several colors and with additional versions available including the Vice Pro, Pro Soft and Pro Zero models with varying performance characteristics.
