Ado's Air Spray.

Welcome to the February information night. Now that we are well and truly into 2018, the branch calendar is starting to fill up with exciting things to do. There is always room for more, so if you have an idea please put it forward. I hope to see lots of you joining into the spirit of the branch and attending our rides and events. We will have the Minion Box at the front table each information night, and really look forward to receiving your comments and suggestions to help us to continue to grow and enjoy each other's company.

The branch AGM is being held in April so you will see the nomination form in this newsletter and it is also available to be downloaded from the branch webpage. The branch needs to fill all positions so we can continue to have the branch running smoothly. Please put some thought into nominating for a position. Please ensure you are a financial member of the Club so you can vote on the night if there is a ballot. To check your status just check out our Ulysses Card, if the date has passed give NATCOM a ring and organise your renewal and they will send a new card to you. All nominees and seconders must be financial members of the Club.

I was honoured to be asked to be the Presiding Officer for the Mt Lindesay Branch AGM last month. I am happy to announce the David Pashley aka Popeye was voted into the president's position. Gary Smalley and his wife Jillian have decided not to nominate for the 2018 Committee and are having a break. A big thanks to some of the Logan Branch members who did the scrutineering and returning officer roles on the night. I look forward to the Ipswich Branch continuing to have a great relationship with Mount Lindesay Branch as well as other branches in the Club.

Has it been nearly a year already since our last talent night, and what night it was. We have booked the Ipswich Country Club again for the second Talent Night which will be held on the 31st March and like last year we are looking for all those who have a talent hidden or otherwise to entertain us on the night. The branch committee have issued an invitation to Mt Lindesay branch to join us and are hoping for about six acts from each branch to enjoy a fun night together.

Thanks to Blue Ray for taking us to Cleveland for the first branch ride of January. The ride was great travelling from Yamanto to Jimboomba before heading back to Yatala Pies for morning tea and onto Cleveland for lunch.

The next ride for the branch was Silver Fox's ride led by Jay. I don't know if Jay followed the Fox's pre-ride but it was a beauty. Thanks to Daffy for cooking the bbq and Ray for towing the branch trailer because the VTX was out of action.

Our first ride for February will be the Dawn ride organised by The Easy Riders Social Motorcycle Club. A lot of these riders are and were Ulysses members and are good friends of ours. The 5am start is a bit of a bummer but the effort to get up early is far outweighed by the feeling of being on the machine when the sun shows its face over the horizon.

The branch 5th Birthday Party will be held on the 27th October with a Halloween themed night. The committee is looking to have a live band to entertain us and we are negotiating to have a wonderful meal as well. We will keep you in the loop as the date gets closer.

Margaret Mary Morgan

Nickname: Sergeant Major a name given to her by her mother who used to say “Here she is, the Sgt Major”. Margaret is the 10th child to parents John and Jane Keenan

Born: Edinburgh Scotland on 9th February 1938 in Simpsons Women’s Hospital Edinburgh.

Came to Australia in Feb 1955 and has been in Australia 63 years in February 2018

In Scotland she left school at age 15 years and worked in a shoe shop; a co-op before working for Mr Spring in a butcher shop. Margaret did his books, worked in the delicatessen and baby sat Mr and Mrs Spring’s children. Mr Spring was very dapper and would pick Margaret up in his Humber and take her to work. When he went out scottish dancing in his kilt with his wife, he paid Margaret 2 quid for baby sitting. Margaret would give the 2 quid to her mother who would give her back 2 shillings and 6 pence. Which Margaret considers was quite a lot of money in those days.

Margaret had her 17th birthday on the Ship “P&O Strathaird” on the way to Australia and arrived in Qld on 22nd February 1955. Touted as Sunny Queensland, when they arrived it poured rain for six weeks solid. Margaret first resided in Ipswich then moved to Brisbane.

In Australia Margaret worked at David Jones in Adelaide Street in the woollen department. Then worked in Adams Cake Shop in Ipswich. In 1957 Margaret worked at the Brisbane Cash n Carry “BCC” as the fastest checkout chick ever seen. Her first marriage was to Reginald James Paterson in 1963 at St Marys Church Ipswich by Monsignor Timothy Maloney on 9th February on her 25th birthday.

Margaret has three children John, Karen and Geoffrey, nine grandchildren, three step grandchildren and 10 great grandchildren.

Margaret met the love of her life Wal Morgan in 2002 and they were married on 6th April 2004 at the Ipswich Courthouse.

Margaret had never been on a motorbike until she met Wal and joined the Ulysses Club. She attended her first National AGM in Canberra in 2005 riding there and back on Wal’s bike. Margaret estimates she has been to five national AGM’s with Wal.

Although not much time nowadays her hobbies include cooking great meals, baking scones and cakes, gardening and crafts like tapestry and knitting. In her younger years she loved modern ballroom and jiving at the Ipswich showgrounds and Cloudland in Brisbane. Margaret went to the movies at the Wintergarden Theatre, The Regal and also to the Tivoli Drive-in Theatre on a Monday, Wednesday and Friday, and then went dancing Saturday nights before heading off to the coast on a Sunday with her friends in a Zephyr – riding in the back of the ute.

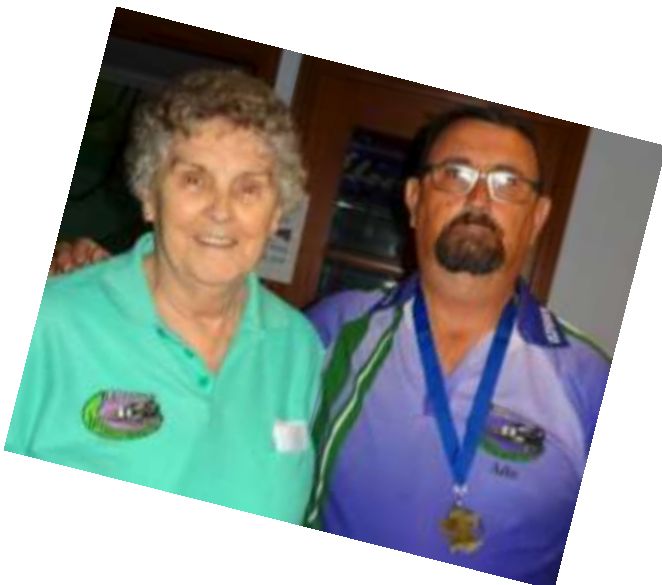

Margaret has no secrets to share with us. Her father always said to her “You can’t get to jail for thinking”

Congratulations Margaret on achieving your 80th Birthday Milestone.

Hugs always from your fellow branch members.

Happy
80th
Birthday!

From the Editor.

A big Congratulations to Margaret on her birthday, as Richie Benaut would have said “a fine innings that”, hope she has many more to come.

Beno took us on a great ride to the Bayside early January, stopping at Yatala pies for Smoko, I must admit the pies there are some of the best, Crash and Sue left us at the pie shop due to seating arrangements on his bike, the Air Hawk while being a wonderful piece of equipment do tend the slide, so the passenger often ends up closer to the rider than they would like, thankfully before they left Crash spotted the Sheriffs wallet stuck behind the bench that Sheriff had been sitting on, anyway we stirred him up a bit before returning the wallet to him. Onto the bayside for lunch and unfortunately Ray ripped open one of his saddlebags on a post when we pulled into the shaded area to park up, a few bungee cords was enough to hold it together for the return trip, all in all a great day even after these mishaps. Some pictures further on in the newsletter.

Losing his wallet wasn't Sheriffs only misfortune, his rego plate also snapped meaning he had to get a new one.

Sue and I didn't make the Bribie ride but judging from the photos on the website that was another good day out. We have plenty more rides pencilled in on the Ride Calendar so we are up for a few busy months, starting with the Dawn Ride on the 4th Feb with the Easy Riders

for those who don't mind an early start. We went to the American Pit Boss Bike Night, it was only a small event with only a few bikes, however the food from the BBQ place was very good.

Stay Safe, Chopper.

Sheriff's Court.

Numbers were down at the monthly meeting but that is understandable as some members were still on holiday with family and friends over the Christmas break. As usual it was a great meeting. I have to get something of my chest, for the last month it has been irking me, members went to the effort dressing up as Minions on the Lockyer toy run, 27 of us arrived at the venue so we could stick together as a Branch but to our amazement we were stuck in the sun at the back of one of the undercover areas which was empty and they would not let us in, I don't understand why Lockyer treat us this way as we are all supposed to be Ulysseans. My Wife and I registered at \$20 each plus I bought \$20 worth of Raffle tickets, we also had presents at \$24 each, one for a boy, one for a girl, on going to get our breakfast we were refused an egg and the Salvo put his hand on the lid of the eggs and said they had none but we saw then put eggs in the container, didn't want to start a scene so went to get our coffee which you couldn't drink as it had mildew in the bottom of the cup, we saw a lot of people throw their coffee away. I will be thinking long and hard about going on the Toy Run again (OK whinge over).

We didn't have our \$5 scratchy on the night because Smurf forgot the sign on book for our rides, we will double up this meeting, Smurf was dealt a fine.

\$\$ FINES \$\$

Tom and Thomas - the Bash Brothers were fined for not keeping their bikes on the road

Splitty and Rizzo – not wearing their helmets

Ado – for being a trouble maker (in whose eyes I don't know)

Smurf – forgot the ride book

Myself – getting lost on Smurf's ride

A BIG Thank you to Crash for finding my wallet as I lost it.

Quote of the Month

May the Bluebird of Happiness, crap all over your motorbike.

BIRTHDAYS

Ray, Angry, Crash and Colonel Bow

Windsucker, James McColm #50255

Smurfs Road Rash.

First up many thanks to Ray and Jay for leading rides.

Please remember on rides that we are subject to the normal traffic rules and that overtaking on the left is not best practise.

Due to an increase in costs BBQ lunch and drink will now cost \$7, still a good deal, the good company you will be in is as always free. If you want more drinks they will be another \$1, including water, this is to cover costs like gas for the BBQ etc. Also if you can let the committee know you will be attending it would ensure we don't purchase too much, so nothing gets wasted.

Thank You.

Lumberjacks Web.

Hi all,

As usual, there has been no drama on our website the past month. At least, nothing that I know about.

One person complained about that he/she couldn't upload pictures to our Photo Gallery and unfortunately this happens from time to time and usually it will work again after a while.

Maybe everybody just was online at the same time →

There are a few people that have applied to become a member of our website but I don't know who you are so if you haven't been let in yet, can you please come and see me so I know that you are a real person or send me an email and I will let you in.

Have a good and virus-free month.

Cheers,

Lumberjack

RIZZO's Welfare Wrap

Bob (Silver Fox).

Just before Christmas Bob was on his way to the Airport, he got a bit lost, he was going to the International Airport, so he pulled off the road to get his bearings when a car doing about 80 - 90 k's rear ended him, his car is now a write off.

He is now having trouble with his right shoulder, his rotor cuff is not the best, he cannot move his arm up too high, the moment he does he gets bad pain going through his shoulder.

Be cannot ride for 4-6 weeks from the accident, but is hoping to be on the first ride in February.

We wish him a speedy recovery

God bless and safe riding...

Thanks to Silver Fox for this information, as we know he was involved in an accident over the holiday period where he was injured and his car badly damaged, thankfully Fox is OK but is off the bike for a while.

Fox suggested it would be a good idea to put this form in the Newsletter as members may find it a help if they were involved in an accident as well. The form, as you can see gives a list of details that should be noted at the scene in able to have a record for both Police and Insurance,

The Original form is available on the link at the bottom of the form.

LETTER TO THE EDITOR

Dear Editor, I have been watching the Cricket on TV and reading the paper and I don't understand when they talk about 'drop in pitches' can you enlighten me on this subject, so I can better understand the game.

Well my friend after much research I have gathered the following information:-

A drop-in pitch is a pitch that is prepared away from the ground or venue in which it is used, and "dropped" into place for a match to take place. This allows multi-purpose venues to host other sports and events with more versatility than a dedicated cricket ground would allow.^[11]

They were first developed by WACA curator John Maley for use in the [World Series Cricket](#) matches, set up in the 1970s by Australian businessman [Kerry Packer](#). Drop-in pitches became necessary for the World Series as they had to play in dual purpose venues operating outside of the cricket establishment.^[12] Along with other revolutions during the series including the white ball, floodlights, helmets, and coloured clothing, drop-in pitches were designed to also make games more interesting. They would start off bowler friendly seaming and spinning with uneven bounce for the first two days of a game. After that they became extremely easy for batting meaning high targets were chaseable on the fourth and fifth days, although there would still be something in the pitch for the bowlers.

In 2005, the [Brisbane Cricket Ground](#) (the "Gabba") rejected the use of a drop-in pitch, despite requests from the ground's other users, the [Brisbane Lions AFL](#) team. Although drop-in pitches are regularly used in the [Melbourne Cricket Ground](#) and in [New Zealand](#), Queensland Cricket stated that Brisbane's weather and the difference in performance meant they preferred to prepare the ground in the traditional way.^[13]

Plans to use drop-in pitches in [baseball parks](#) in the [United States](#) have met with problems due to strict rules about transporting [soil](#) over state lines. It has been found that the best soil types for drop-in pitches are not located in the same states which have been targeted by cricketing authorities—[New York](#), [California](#) and [Florida](#)

Hope this has helped your enjoyment of the game a bit more, its not really a hard game to understand though is it, hit the ball and run like @#%#, pretty simple really!
