## Youth and Community Forum

### Concept

This Forum is to help assist Lodges and temples in the PA State Association create local programs that service youth and community. This will also create positive branding for Elks and inspire individuals to join our fraternal order. Our goal on September 28, 2019 is to provide the tools for Elk members to build programming and to offer community leaders / organizations in the Greater Pittsburgh area an opportunity to share information with the Elk family on how we can create partnerships.
