Sea Therapy Baths

Instead of ordinary sea salts, these baths are made with crystallized kelp. From an organic seaweed farm in the Brittany coast of France, the seaweeds' clear plasma rises to the surface of the sea and is crystallized by the hot sun during the summer. Highly detoxifying, nourishing seaweed baths contain all the therapeutic elements from the sea- over 60 different minerals, vitamins, antioxidants and amino acids that replenish, re-mineralize, detox and heal. Each seaweed bath weighs 15 oz.
