Healthy Cells Mean A Healthy Body

The best way to boost overall well-being is to start at your body's core – your cells. Your body contains over 38 trillion cells, and when they are functioning better, you are functioning better.*

As you age, various stressors such as pollution, diet, and injury can weaken your cells, affecting your overall health. Radiant Cellular Rejuvenation works to combat the effects of the aging process by protecting and strengthening your cells.*

Superior Ingredients

Radiant combines tocotrienol vitamin E and geranylgeraniol (GG) sourced exclusively from the Amazonian annatto tree.

Annatto seeds are the most abundant known source of naturally occurring tocotrienols, which may be up to 40-60x more potent at protecting against cellular damage than the more common tocopherol vitamin E.*

The addition of GG supports the production of molecules essential for cellular energy like CoQ10, vitamin K2, and testosterone.*

Healthy Aging Begins Now

Feeling your best is important at any age.

Radiant helps you live better, continue doing the things you enjoy, and age well regardless of your stage in life.*

Radiant's Benefits:

- Helps combat the effects of aging*
- Boosts antioxidant protection*
- Supports healthy cellular function*
- Promotes healthy immune function*
- Promotes longevity, wellness, and vitality*

Supplement Facts

Serving Size: 1 Capsule
Per Container: 30

Amount Per Serving	%DV
Geranylgeraniol (As GG-Gold*)	150mg*
