**Q:** What is a “Priority Run Basis Only”?

**A:** When weather or emergency conditions exist and CPD goes on a “Priority Basis Runs Only” system, only priority 1 and 2 runs will be dispatch to the officers on the road.

**Q:** Why do we have a “Priority Basis Runs Only” system?

**A:** During weather or emergency conditions...

- Officers may be needed for road closures
- Response time is slowed due to road closures or accidents
- Road conditions may be hazardous, even for the officers to travel

**Q:** Who is in charge of determining when a “Priority Basis Runs Only” is necessary?

**A:** It is the Zone Lieutenant’s decision at to whether or not they will place their zone on this basis and it can be done Zone Wide as well as City Wide.

**Q:** Have we been placed on a “Priority Basis Runs Only” before?

**A:** Yes, a “Priority Basis Runs Only” was put into affect City Wide twice in 2008. Once for the extreme blizzard conditions in March and once for the extreme city wide flooding in June.

**Q:** So what do I need to know if the city or my zone go to a “Priority Basis Runs Only”?

**A:** What you need to know:

- Priority 1 and 2 runs are those runs in which a crime is in progress or has just occurred, or there is a threat to someone’s health/life.
- No paper runs will be taken when we go on a “Priority Run Basis”.
