Parents Evening!

We're offering a chance for parents to come to the nursery on Tuesday 17th March to chat about their child's progress and talk about their Learning Journey. We will have 15 minute appointments between 7-9 pm; list by the signing-in sheet. **No children please!** If you cannot attend then, please see your child's key worker during nursery hours.

Learning Journeys

You are welcome to look at your child's Learning Journey at any time, just ask their Key Worker.

NUTS!

Please remember it is essential that nobody brings **any nut product** into the nursery.

Healthy Eating

We encourage children to try fresh fruit/vegetables each day - please remember to put some in your child's lunch box for snack time.

Interests Table

We would like to encourage your children to find something to bring in each week that is relevant to our topic of the week. Something from the story? Look for a number around the house (cereal box, newspaper, tickets, etc)?

Jewellery

Please do not let your children wear jewellery to the nursery - it can be a danger and will get lost! (you can see our policy online).

Teaspoon Amnesty!

We provide teaspoons for your children at snack and lunch times - if you are missing some from your child's lunch box please check our growing collection of teaspoons!

Nursery will
be Closed on
Thursday 5th
March for voting
