INSURANCE AND PAYMENT POLICY

Welcome to U Dental. On your first visit here, we will require that you pay in full for treatment provided that day, regardless of insurance coverage. If you have insurance, we will submit your claim for you and your insurance company will compensate you.

For future visits, we can bill your insurance company for minor and major treatments. You will then be required to pay the remaining balance not covered by your insurance at the time of treatment. We accept payment by Visa, MasterCard, Debit, or cash. Please note that we do not accept personal cheques. If there is a balance on the account for more than 30 days, the patient is responsible for payment of the balance regardless of insurance coverage. **The patient is responsible for all outstanding balances regardless of insurance coverage**.

Please note that in all major treatment situations like crowns, bridges, implants, dentures, or any other procedure requiring laboratory work, a deposit of 50% is required prior to treatment.

It is the patient's responsibility to provide the proper contract and subscriber ID numbers, and the policy information.
It is also the patient's responsibility to know and understand the coverage and limitations of their insurance plan.
This includes: percentage covered for minor and major treatment, maximum covered per year, start date of coverage (ex: calendar year vs. rolling plan), deductibles

U Dental does not take responsibility if the cost of treatment goes above the maximum payable by insurance. It is the responsibility of the patient to keep track of the amount that has been paid by insurance and how much money is remaining on their insurance plan prior to each appointment. The patient is required to pay for all treatment and fees not covered by their insurance.

Consent:

I understand and accept the insurance and payment policy outlined above. I authorized the release, to my dental benefits plan administrator and CDA, information contained in claims submitted electronically. This authorization shall continue in effect until the undersigned revokes the same. I hereby assign my benefits, payable from claims submitted electronically to U Dental and authorize payment directly to the dentist. This authorization shall continue in effect until the undersigned revokes the same.
