Name of Child's Physician _____ **Phone** _____

Initial I understand that the school does not employ a school nurse; that the school staff administers medication only as directed in writing by your physician

Initial I understand that all medications need to be in the office, with the possible rare exception of an inhaler or medical equipment that must be on the person of the child.

Initial I authorize school personnel to secure medical treatment in the case of an emergency or perceived emergency regarding my child.

Initial I understand that I, or an authorized emergency contact, will be communicated with as soon as feasible, but the priority will be by my child.

Initial I understand that in situations that involve an injury that is not a critical emergency, a parent or guardian will be called to take the child for the medical care of family choice. The school staff may suggest information from observations, but the appropriate medical treatment is the sole determination of the family and their physician.

Initial I understand that such medical treatment will become the financial obligation of my insurance carrier, and that the school only carries secondary insurance.

USE OF PHOTOGRAPHY AND VIDEOGRAPHY PERMISSION AGREEMENT

Occasionally, the school utilizes videography as part of an educational project for security purposes, or for the teacher to observe his or her own teaching. Photography of children are occasionally used for promotional materials, such as brochures that promote the school or the school website. We need your permission and release for the use of the images of your children.

If, for some reason, you cannot sign this release/permission slip, you must contact the school office so that we are aware of your reservations and can accommodate them.

I give permission for my student, _____ to be photographed or videographed. I understand that the videos and photographs are to be used for educational purposes, security, or for occasional promotional purposes, such as school brochure or website.

Photos or video tapes are not intended for profit or sold to any entity, and will not be released for any purpose to a third party. I further understand that, should my child's picture be in a Trinity publication, that there is no financial remuneration for the use of the picture.

INTERNET GUIDELINES

Trinity's purpose in providing access to the internet is to support research and education by providing access to unique resources and the opportunity for collaborative work. Not all of the content consists of educational value, especially in the context of the school setting. The use of an account must be in support of education and research which is consistent with the educational objectives of Trinity International Schools. Sites that are opposed to the Christian philosophy are also not appropriate for purposes unrelated to the school-related research. Sending or receiving of any material in violation of any U.S. or state regulation is prohibited.

The use of the internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrators and teachers will deem what is inappropriate use and their decision is final. The system administrators, the administration, faculty, or staff of Trinity International Schools may request the system administrator to deny, revoke, or suspend specific user accounts. Before access is granted, each user must receive training and agree to the regulations. Parents have the option of denying their child individual access to the internet.

The signatures on this document are legally binding and indicate that those who signed have read the terms and conditions carefully and understand their significance.

RULES FOR INTERNET USE

You have full responsibility for the use of your account. You will be held responsible for any violations of these rules that can be traced to your account.

1. **Never share your password or account with anyone.**
