This Week's Speaker

**What's Evolution Without Love?
(Juneteenth-19th and
Father's Day-20th)**

Joe Kovach, RScP

Without love, EVOL-ution is a spiritual path

of apathy, complacency, and lethargy. It's easy to talk the talk about love and more challenging to love our neighbor as ourselves. The evolutionary leap of this radical love calls us to reach out and love another. This is the Be-Loved Community in action!

Then in August we will bring him to town to do service with us and meet us all in person. We will be working on the logistics to make all that possible in a safe and respectful way. More details to come.
