Our local Twin Cities Airedale Terrier Club (TCATC) is teaming up with the national Airedale Terrier Club of America to hold the National Airedale Specialty in Minnesota in August 2023.

To raise funds for the event, TCATC is working with the Hamburg Hunting and Fishing Club to promote and sell fund-raising calendars. Since the Hamburg club is a hunting and fishing club, they've highlighted the versatility of these magnificent beasts and featured hunting Airedales in the calendar.

If you like Airedales, if you like dogs in general, like to hunt, want to win a gun (or the cash prize), need a new atv, want some Holiday Gas or Fleet Farm coupons, or just love me, you should consider purchasing a calendar. A max of 3,000 calendars will be sold, and there are nearly \$50K in prizes.

Fine print: Due to all sorts of gambling laws, purchases can only be made in Minnesota. However, payment for a calendar may be sent via Venmo or PayPal... and I can send a calendar to you within the state of Minnesota.

Buy your calendar from Jen Schultz JenSchultz2@gmail.com
