

Dear Families,

This week we read Snowballs by Lois Ehlert. The book features snowman collages. We are going to make our own snow people this week. Please send some items that your child would like to glue to a snow person.

Suggestions: buttons, small twigs, small fabric scraps, sunflower seeds, dry leaves, etc.

We will also have some materials available at school, but the results are more unique with items brought from home.

Thank you!
