## Ado's October Report

Happy 4th Birthday Ipswich Branch. From humble beginnings we are now just as strong as a lot of the earlier established branches of the Ulysses Club and much much stronger than a lot of others. It was decided at the last committee meeting that we would hold off in any celebration until next year when we turn 5 years old. Thank you to those who have served the branch so far in any capacity, and to the past committee members for their guiding hands while the branch was still so young. I am looking forward to others putting their hands up to continue to keep this branch going forward into the future.

This year's Memorial ride had special significance as we said a final farewell to our wonderful friend Howza. The service itself seemed to be a little more personal this year as it hit home to me just how gifted our lives really are. We have only one life and to be able to spend some of it with such good company is truly a blessing. Who could have predicted when I was seventeen, that I would be riding motorcycles with a group of like-minded dare devils.... and loving it so much that I do it twice a month or more, add in the monthly social information night and other socials and I am living the life. My mum and dad who have now passed, would be amazed that I am so involved in a legitimate motorcycle social club, because like most of you I'm sure you rode with 'others' when we were young and full of bravado. Although I have many fond memories of my dad coming with his car and trailer to pick up my busted bike, taking me home for my mum to tsk tsk at me whilst she bandaged me up, whilst smiling at my dad.

It seems like I have led more rides this year than I normally put my hand up for. Maybe I am getting a little more used to being in front of the pack or we aren't getting the wide variety of leaders that we have had in the past. Nevertheless, I put my hand up to lead us up to Boonah for a short coffee run last Sunday. Being NRL grand final day, it was never going to be a long one as I haven't missed a grand final since I can't remember when. 10 of us went for the ride with Chopper and Yacky giving their apologies earlier in the morning and Mick and Paula stuck at home with the flu. The ride was a gentle one up the highway and then home via Kalbar with Spook taking the lead. Thanks to all who took the chance to share a bit of time together. The branch Christmas Party is being held on the 24th November this year. Unfortunately this is as close to Christmas we have been able to get. We have booked the Ipswich Knights Clubhouse 254 Brisbane Rd, Booval and the night is a Hawaiian theme. See Choppers Flyer here in the newsletter. Looking at a 6.30 for a 7pm start. There is a refundable \$10 deposit required to be paid by the November information night. This ensures that we have the right number to give to the caterers. Please let the committee know if you have special dietary requirements. I

am looking forward to having a great time with you all with the opportunity to let our hair down. I have received email from Elaine at Warwick Branch who is the AGM event organiser of the Sth East Qld proposal. The AGM committee had met and decided not to continue with the proposal to hold the 2021 event but will now try for 2022. For those of you who are interested, I may have some more information for you after the next Presidents Meeting which is being held at Toogoolawah.

It was slightly disappointing to find only six members of our branch able to attend the Redcliffe Odyssey the other Saturday. Saying that, I do appreciate that members come along to what they can. It seems like there was something on every weekend this month for the branch to be involved in. It was extremely hot at the Redcliffe Odyssey, and the games all but the last were held on the oval. It got to the point of completing your part of the game then heading off for the shade until you were needed again. Piddles proved to be a good tosser with both

hands where Splitty and I were only adept with one eg: we were required to throw a tyre with one arm then the other and the measurements were combined to get a total. Although I am pretty good with my left, my right arm wanted to let go way before it should have. There was a stone the gnome contest and this was where Benno's height advantage really came to the fore. He seemed to be just the right height to chuck down a garden gnome with a tennis ball. He actually shot down two with consecutive shots at one stage. He was also very adept at throwing boleros which required you to throw them at a clothes line thingy and make them stick. Anyway, although we got some individual awards the branch failed to get the major prize of \$500 which was won by the Lockyer Branch.

Your committee are keen to hear your opinions of what types of rides you are interested in. Do you like the coffee runs, short distances to a venue or longer ones that take most of the day before we return home. My opinion is we need to look at more BBQ trailer runs where we can keep the personal costs to a minimum. What we need is more information on places to visit. A bit like Jay's ride a fortnight ago where we were taken to the Rathlogan Olive Grove, somewhere I have never been before and would like to visit again. If you have any options for the committee to pursue, we have some Idea Forms on the tables tonight for you to complete, or come and have a chat with one of the committee. Some of the members (including Amanda and I) are travelling to Imbil for the annual Imbil rally run by the Leisure Riders Motorcycle Club on the 17/18 November. This is a camp-away night, so if you are keen to come along with your tent, swag or caravan please let me know. I see we have a regular branch ride on the Sunday, so maybe we can have a ride from Ipswich to meet up with the members who will be leaving Imbil on the Sunday Morning. All I need now is a ride

leader to meet us somewhere between Imbil and Ipswich so we can ride home together. OR if you have an idea for a ride on 18th November, please let us know.

On Tuesday 24th of this month we have been asked to provide a static display of motorcycles at the Bolton Clarke Aged Care and Retirement Home at Algester. There will be a sausage sizzle provided at a very nominal cost and lots of questions to be answered. I hope we have some members may be interested in showing off their machines and getting the good name of Ulysses out into the public. There might even be a few residents who would like to be given a more closer look by going for a short ride around the complex. For those attending, we will leave Maccas Yamanto at 9.15 am and ride as a group to the destination point. Please let me know if you can attend. This is my daughter's new workplace and she is keen to have the branch members and bikes attend on the day. We are sending an invite to other branches to come along as well. Congratulations to Ken "Wheels" for becoming the newest Ulyssian of the branch. During the month he received his official Registration Number 67433 He is now a fully fledged Ulyssean.

## REDCLIFFE OLYMPICS

Six of us travelled to the Redcliffe Olympics Rizzo, Beno, Splitty, Piddles, Ado and myself. As Rizzo's back is still playing up I went in the tin top with her and Ray so I could catch up on all the goss, and this also enabled Ado to have a little 'boys' ride' up the Blackbutt Range.

A pretty uneventful trip on the way there, except for usual caravans etc in the way in an attempt to stop the boys (including Beno as the driver of the tin top) from having a little fun on the Range – of course keeping to the ridiculous speed limit of 60 klm.

On arrival at the venue there was a good turnout of Ulysseans from Redcliffe, Sunshine Coast, Gold Coast, Lockyer, Northern Gateway and a few others, around 100 or so I would say. We caught up with everyone, including Margaret & Wally who were staying at a b&b close by and Skater Boy who was setting up camp for the Saturday Night.

Herb and his crew from Redcliffe Branch organised some great games, and being the competitive little group of Ipswich Ulysseans that we are we participated in all games. Some of us got to stand on the podium for a number of presentations with Ray, Rizzo and Ado being our main winners.

There were loads of raffle prizes and auction prizes up for bidding, and I don't believe many went home with nothing. Adrian and I received fines totalling \$15 for being disgraceful – I really can't see why I was fined \$5 for collecting loads of tennis balls from a game and chucking them at Herb in a flurry, but I was glad he didn't have the legs to catch up when I ran away. Ado's fines of \$10 came from him just being Ado.

Redcliffe Branch have been running their Olympics for years now with the funds raised being given to their charity of choice. This year we attempted to win the \$500 to go to our Charity of Choice but due to the low attendance by our branch, and the awesome athletic ability of those who did come along, we didn't win.....:(.. The winner was Lockyer Branch, congrats guys and gals.

It was an extremely hot day, but a lot of fun and we hope to go along again next year.

Another great day to be a Ulyssean.      Amanda aka Bling

## THEME:- Hawaiian Night

Opposite the Racehorse Hotel, Bundamba

Savories served by Waitresses and then a Smorgasbord, with Roast meats, vegetables, salads, bread rolls and Apple Crumble and Custard for Dessert.

Tea and Coffee.

The venue is licensed so no BYO however the drinks are well priced, so dust off your flashy shirts, grass skirts and Coconut bikinis and come along, should be a great night.

\$10 deposit refundable on the night, please confirm your attendance by the Branch meeting on 3<sup>rd</sup> November.

# *From the Editor.*

Well, another month gone and we are finally into the warmer weather, last months meeting was good fun with the silly hats and all, we also had Roz give a very interesting and informative talk on wills etc. Northern Gateway branch also came along to spruik their Trivia night.

Herb from Redcliffe make an appearance to hand over the Barefoot Bowls winners Shield, to our victorious team.

This month saw myself and Yakki lead our first ride apart from a Coffee run, I hope everyone enjoyed it as much as we did. I thought the people in the Pub made us very welcome and the tucker was quite good.

The Memorial ride was also this month and the Branch had a good turn out, it was especially good to see both Chris and Angry. It was a good service but unfortunately a long list of names of those 'Ridden On'. Pictures from the ride further on in the Newsletter. Also further on is the Draft 'Members Code of Conduct' put together by NATCOM which we should all have a read of.

It is also worth mentioning that age and length of membership badges have to be requested from Ulysses club Administration, they are not automatically sent out to members when they qualify for them

Branch Christmas Party will be held on the 24<sup>th</sup> November at the Ipswich Nights Soccer Club, which is opposite the Racehorse Hotel, please confirm your attendance by the 3<sup>rd</sup> November, so we can confirm numbers with the venue, there is a deposit of \$10 which will be refunded on the night to those attending, should be a great night.

Our meetings seem to get better every month, it's great to see members get into the swing of things when it comes to dress ups. The slipper night was awesome , some people have amazing footwear. The Mad Hatter night was also fabulous, Gail (Cyclone) must have one Helluva wardrobe with all her colourful creations. Vibrant and full of colour. Choppers hat of cards was creative as well. Well Done to all.

Hi all,

Another month gone! And nothing much to report from me.

The website is going ok but at times a bit slow.

It is a cheap web-host and we get what we pay for but I still hope that you will check in on our website every now and again to see what we are up to. Just have some patience as some days it is loading a bit slow.

As always: If there's something you want changed or added on our website, don't hesitate to see me and I will try to accommodate your wish.

I am currently working on a page about our website founder "Howza" and hopefully it will be published on our website shortly. Just keep an eye out for that.

Have a good and virus-free month.

Cheers,

Lumberjack

# RIZZO's Welfare Wrap

Well what a great day we had for our memorial ride, A good turnout from our branch.

As I stood there are the remembrance board and I read Konrad's name it put everything int perspective. That life is too short and we should let friend's family and our Ulysses family know that each though we have our disagreements are all still one big family

I am over the moon that I have been granted a housing commission duplex at Durack and will be in there before you read my report. My more long distance travelling from Logan to our meet up points is now finished. Yay for me

God bless and safe riding...

## Chopper and Yakki's Ride to Crows Nest.

Sunday 3<sup>rd</sup> September – Fathers Day and time for our ride to Crows Nest, we had of course planned this ride for earlier in the year but after some bad weather and heavy rains resulting in some roads being damaged, we had to cancel and just had a coffee run to Boonah instead. No such worries this time as the weather was already quite warm when we met up at the Golf Club, a quick briefing on the route we were to be taking and off we went, 14 of us on 10 bikes. Not far from the Club we came across a very large but very dead Kangaroo on the road and I was relieved that it had not tried to cross the road as we were travelling along it, anyway through Walloon, Rosewood, Grandchester to Laidley where we crossed the Highway and proceeded through Brightview to Lowood and on to Esk, the countryside was looking very brown and obviously in need of some rain.

Once at Esk we stopped for a coffee break some of us at the bakery while others went to another coffee shop across the road, we met up with Marg and Wal who were already there on their Goldwing. We also met another fellow who was supposed to be meeting the Redcliffe branch there as they were also using Esk a break point on their way to Crows Nest. After a short break, we were about to leave when we spotted Herb, president of Redcliffe, so we waited for him as apparently there had been a bit of a mix up on their branch start times and he missed it (that's got to be worth a fine), so he and the other guy tagged along with us for the rest of the trip.

We then went through the Hamptons and it was nice to go through the State Forest as it was nice and cool out of the sun. Finally, we arrived at Crows Nest and the Old Crow Hotel, lunch a few cold drinks and some good laughs, Ado even managed to bag a prize in the free Fathers Day raffle (2). Unfortunately, the pub only had 4 of the Crows Nest 'Biker Friendly Town' patches left and these were quickly snaffled by the Fox, Splitty, Sue and Spook.

Most of us then had to refuel for the trip back home, Sue and I came home through Murphys Creek, Splitty followed us while others went to Toowoomba and the Highway. Ado and Amanda, Eric and Annie stopped at the Danish store to get some FLODEBOLLER, Danish chocolate marshmallow.

We would like to thank everyone who came along for the Ride and hope they all enjoyed it as much as we did, thanks to the Sheriff for riding tail end, (maybe it's a good revenue raising ploy as he sees all that goes on, LOL).

Chopper and Yakki.

ANNUAL MEMORIAL DAY RIDE  
2017

# This week's letters to the Editor.

Can you please explain why we say 1 knee, 1 elbow, 1 finger and so on, by adding the letter 's' they become 2 knees, 2 fingers etc, but when we say 1 foot it becomes 2 feet and not 2 foots.

Thank you

Spook.

Dear Spook,

The English language has been around hundreds of years and has served many countries and peoples very well and now you want to pick fault with it! My answer to your question is that in the same way we have 1 tooth and that becomes 2 teeth, 2 foots and 2 tooths sounds stupid.

Hope this has helped.

Ed.

*Dear Editor, have you ever collected the stickers that are on fruits? If so what did you do with them?*

No I haven't, next question.

**Dear Editor.**

**Would you rather fight a chook that's as big as a horse or ten horses that are as big as a chook?**

Dear Reader, as I am probably never going to encounter these beasts I think the more relevant question is what have you been smoking.

**Thanks for the advice a few months ago regarding my frustration with taping shows and missing either the start or finish. Now I get to watch the whole of my shows.**
