ENVIRONMENTAL & SAFETY BENEFITS

- Non-Flammable
- Phosphate Free
- Biodegradable*
- Contains No Hazardous Ingredients**
- No Petroleum Distillates
- No Glycol Ethers
- No Alkalies
- Non-Corrosive
- Made Using Renewable Resources
- NPE Free
- Fragrance Free (no added perfumes)
- No Butyl Cellosolve
- Holds CFIA letter of non-objection

DILUTION RATIOS

Light Soils:

1:32 (125ml per 4 litres of water)

Moderate Soils, General Cleaning:

1:16 (250ml per 4 litres of water)

Heavy Soils:

1:12 (375ml per 4 litres of water) depending on the soil type and cleaning method.

Carpet Spotting or traffic lane pre-spray:

1:8 (500ml per 4 litres of water)

DIRECTIONS FOR USE

To conserve energy, dilute with cold water. ENVIRO CHEM Tough Job cleaner may be used as a "Spray and Wipe" cleaner, and for damp mopping, automatic scrubbing, hand scrubbing or through high-pressure washers and steam cleaners.

ENVIRO CHEM Tough Job Cleaner may also be used in cold tank soaking applications and will not discolor or harm aluminum or other soft metals. When used for carpet spot remover or pre-spray, test carpet for color-fastness before using. Allow 5 to 10 minutes before beginning the shampooing or spot removal process.

PERSONAL PROTECTION: Wear rubber, vinyl or neoprene gloves. Wear safety glasses with side shields.

For Food Plants, Institutional and other Industrial use.

ENVIRO CHEM® Tough Job

Rinse all food contact surfaces with potable water before use. Do not contaminate food, feed or potable water during use.

The amount of product used should not be in excess of that is required to achieve its intended technical effect.

Disposal: Dispose of unused product according to municipal, provincial and federal regulations. Please recycle container.

PRODUCT PERFORMANCE CHARACTERISTICS

A heavy-duty liquid cleaner that's strong enough for the most difficult tasks. ENVIRO CHEM Tough Job Cleaner will remove carbon and greasy residues from walls, floors, machinery – any washable surface.

ENVIRO CHEM Tough Job Cleaner also excels at removing forklift tire marks and is perfect for fire and smoke damage clean up. ENVIRO CHEM Tough Job Cleaner may be used as a "spray and Wipe" cleaner, and for damp mopping, automatic scrubbing, hand cleaning or through high-pressure washers and steam cleaners. ENVIRO CHEM Tough Job Cleaner may be used in cold tank soaking applications and will not discolor or harm aluminum. ENVIRO CHEM TOUGH JOB CLEANER IS VERSATILE! It performs at its peak as a carpet or upholstery pre-spotter, stain remover and traffic lane cleaner. (See label for complete directions).
