**Financial Practices**

***For our patients with medical insurance benefits:***

We participate with most major medical insurance plans. Our revenue cycle management company, PRMS, will submit claims for any services rendered to a patient who is a member of one of these medical insurance plans. We will assist you in any way we reasonably can help get your claims paid. It is the patient's responsibility to provide all necessary information before leaving the office. If you have a secondary insurance plan, we will automatically file a claim with them as soon as the primary insurance plan has paid. Your medical insurance plan may need you to supply certain information directly. It is your responsibility to comply with their request.

Please bring your state issued identification card and insurance card with you to each of your office visits. This will ensure we have the most up to date insurance information for you. However, if you change your medical insurance plan, it is best to notify us immediately so that we can ensure you can be seen with us at your next office visit.

If you are insured by a medical insurance plan we participate with but do not have your insurance card with you, payment in full for each visit is required until we can verify your coverage. If a patient is a member of a medical insurance plan with which we do not participate with, payment in full is due at the time of service. We will submit our charges to your insurance company to collect any out of network benefits that may be available to you, but ultimately the patient is responsible for any unpaid balances.

Accepted medical insurance plans are listed on our website www.NextCenturyMedicalCare.com or call our office at (302) 375-6746.

Your medical insurance plan requires us to collect co-payments at the time of service. Waiver of co-payments may constitute fraud under state and federal law. For your convenience we accept cash and credit cards: Visa, Mastercard, and Discover. If you do not have your co-payment, your office visit may be rescheduled. You may also have co-insurance and/or deductible amounts required by your medical insurance plan. Any outstanding balance on your account, after adjusting for all your medical insurance plan responsibilities, will addressed at your office visit.

It is the policy of Next Century Medical Care, LLC to treat all patients in an equitable fashion related to account balances. We do not waive, fail to collect, or discount co-payments, co-insurance, deductibles, or other patient financial responsibility in accordance with state and federal law, as well as participating agreements with medical insurance plans.

Medical services that are considered by your medical insurance plan to be non-covered, out of network, or not medically necessary will be your responsibility.

***For our patients without medical insurance benefits:***

If you do not have group or individual medical insurance plan coverage, payment for all professional services is expected at the time of your office visit. In the setting of financial hardship, we can make payment arrangements on a case by case basis.

***Payment plan for patient with and without medical insurance benefits:***

If you are unable to pay your total balance at once, a payment plan option may be available to you. All payment plans are expected to be paid off within twelve months. To set up a payment plan, please call the office at (302) 375-6746.

**Patient Attendance Policies**

***Late Office Visit Arrivals***

A patient who arrives more than 15 minutes for a primary care office visit or 15 minutes for an allergy, asthma and immunology office visit is considered a late arrival. A late arrival, not considered to be the responsibility of the practice, will be registered and worked into the schedule as soon as possible, including rescheduling to another day.

***No Show for Office Visit***

Any patient who fails to arrive for a scheduled office visit without cancelling at least 24 hours prior to the scheduled appointment is considered a "No Show." A "No Show" patient may be charged $40.00 fee, as set by the practice for failure to show. An established patient who is "No Show" for three office visits may be dismissed from the practice. A new patient to the practice is allowed only one "No Show" before dismissal from the practice.

**Patient Forms Request Policy**

Based on insurance policies, patients requesting forms to be completed that are not related to patient disease management (i.e. Asthma Action Plan, Food Action Plan, etc.) will be charged a $20.00 administrative fee per set of forms. The fee will be for each time the form is requested to be completed. Please allow a 1-week turnaround time.

**Prescription Renewal Request Policy**

If you require a prescription renewal in-between routine office visits, please call the office to notify the front desk. They will take your pertinent information and pass along to the healthcare provider who prescribed the medication. Please allow a 72-hour turnaround time for prescription renewals. If a prescription cannot be renewed, you will receive a phone call back stating so.

If you are due for an office visit, you may need to schedule a visit before a renewal can be ordered. If an office visit is not available before running out of the medication and the healthcare provider is legally able to do so, an adjusted prescription renewal may be issued until the date of the scheduled office visit.
