

The Gospel of Matthew:

Conspiracy and Commandment

1. Why was the resurrection of Jesus seen as a dangerous threat by the Sanhedrin?
2. Why does it seem so easy for the religious rulers of the nation to lie, deceive, and bribe others to do the same?
3. Doubt does not necessarily mean a settled unbelief, but rather an unsettled belief. Do you agree? Why or why not?
4. What does Jesus commission the church to do?
5. How does the authority and presence of Jesus help us in fulfilling His commission to us?
