Jane then went on to purchase her bread and noticed that the woman in front of her dropped a twenty-dollar bill on the floor and didn’t notice it. She picked it up and gave it to the woman. ### **Chapter 6 – Perfecting Your Love Walk with Your Teenager/ Children**

**Jesus loves children. They are precious and important and will be teenagers one day. Jesus wants you to teach the children about him. God's ways are love, so they are going to learn by watching you.**

**Which one of the scenarios shows that you are teaching your children about Jesus? Answer Yes or No**

1. Your children are having dinner at the table with you while your other foster children or stepchildren are having dinner on the floor. There is plenty of room at the table, yet you told them to sit on the floor and have dinner. \_\_\_\_\_
2. A child woke up one morning and decided to mop the floor with cleaning fluid. They used too much, and the floor became discolored. The child did not know yet that the floor was turning into another color. As soon as Dad came into the kitchen, Dad noticed it and sought after his child and spanked him without saying a word to him. No explanation was giving to the child about the dangers of using cleaning fluid or asking permission first.  
\_\_\_\_\_
3. Mom and Dad decided to try out the new church on the corner. They've been researching and found out that they have a good area where the children are taught the word of God and about Jesus. They get to meet new friends of the same faith there while the parent or guardian gets taught in another part of the church. Mom and Dad even stayed there in the children's area and got to see what they did and what the children are learning. They met the teachers and went home and prayed about it and listened to God's

answer as to whether it's the right church for them and the children. \_\_\_\_\_

4. Mom and Dad haven't decided whether or not they want to go to church yet. Even still, they wanted their child to learn something about Jesus. So, they went to the bookstore and ordered a book of bible stories for children and on the internet, they found a children's bible for the right age. The children were so happy. The parents would read it to them each day until they were able to read it themselves. It was a great tool to use to teach them how to read.

\_\_\_\_\_

5. Leo told his wife that he is taking little Joannie to the store with him to buy some bread. She said, "Okay" and closed the door. As Leo went to pick up the bread, somebody grabbed the other end of it and the two began cursing each other out claiming they touched it first. Little Joannie remembered all Dad said and when she got home, boy did she greet Mommy. His wife asked what happened and why did she say those bad words to me. He replied that some kids in the store were using bad language. Mom poured herself a glass of wine, for she knew he lied. No one spoke to Joannie about speaking bad words. \_\_\_\_\_

**List ten ways to develop a closer relationship with your child/teenager. It's never too late. Pray and ask God to help you. Write down anything additional that God tells you to do with your child/teenager (from page 20).**

## **Lesson 8**

### **Chapter 8 – Love Conquers All**

**As Christians, we must have the attitude of an Overcomer. Label each scenario with:**

**More than a Conqueror**

**or**

**Pouter**

1. Sammy lost his job after being there for years. He was escorted out by security as if he was a common criminal. They gave him no severance check either. As soon as he got home, after his shock, he got down on his knees and started to pray. He looked up some scriptures in the bible that suited his situation and prayed for another job with increase. After five interviews, a job offer came in with increase and his old job mailed him a severance check after all. He sang and praised the Lord with great joy! \_\_\_\_\_

2. Tia was on the way home and about to get into her car. She searched and searched and could not find her keys. She poured everything out of her bag, but no keys were there. She started using profanity and shouting, "I knew that woman in the store saw me with my bag open. Wait 'til I see her again!" and started rehearsing in her head what she will do when she sees her about three times. Then she leans over and sees that she locked her keys inside the car.  
\_\_\_\_\_

3. Kirby's friends were on the bus with him and all of a sudden, they started speaking profanity and vulgar conversation very loudly. He did not like this way and found it to be disrespectful to the other people and children on the bus. After all, he would hate for one of his family members to have to endure an unpleasant bus ride where the speech is so offensive and loud. It's rude. He got home and remembered to say a quick prayer for them before he went to sleep.  
\_\_\_\_\_

4. Lola always saw her mom and dad compliment each other often. They really knew each other's love language. Susan from her church was in the lobby of the church gossiping with a group about how Lola and her husband are with each other, which Lola thought should be private. When she approached Susan about it, she started bad-mouthing her to some more of the people at church and wouldn't stop. Lola went home and prayed about it and asked God what to do. Lola obeyed what God said and Susan apologized. The two are no longer friends, but sincerely forgive one another.

---

5. Mark wants to join the choir ministry. He said he needs a spouse. Without praying to God about which ministry to join, he joins the choir and sees a few cute women. He decided now that he should pray for a spouse and try to search for their spirit so they could connect and get to know each other. I guess no one ever told him that this is borderline witchcraft because he's controlling the entire thing and not really trusting God. Anyway, he married an Ishmael.

Read the **Love List** located in the summary at the end of the "**Let Your Light So Shine: Live a Life of Love**" book by T. Fields at least three times with understanding and reflection. Then, without looking at the list again, list **twenty** statements from it.

After doing that, check it in the back of the book. Now put the books away and write your own. Personalize it just for you. Besides God, no one knows you like you.
