The administration of Center Christian Academy strives to maintain effective communication and commitment between parents and teachers. In an effort to bridge any gaps that may occur, we have compiled a list of areas of commitment we feel would make a successful year for parent and teacher, as well as your child. Prayerfully consider the commitment needed for the school term. The areas of commitment are as follows:

- Commitment of prayer for the school.
- Commitment of student attendance at school.
- Commitment to uphold the school policies as stated in our School Policies via www.centerchristianacademy.org.
- Commitment to trust the teachers your child will have for the school term in the area of discipline (as stated in the School Policies), homework, and subject.
- Commitment to communicate with your child's teacher. (In an area of conflict, apply the Matthew 18 principle as stated in the School Policies.)
- Commitment to not complain to any other party and in the spirit of meekness will register only necessary complaints with the teacher or principal involved. (Matthew 18)
- Commitment to pay the tuition on time. All final grades and credits will be held until accounts are paid in full. Records will not be transferred to another school if money is due.
- Commitment to volunteer your time and talent.
- Participation in the Annual Fundraisers.
