

## Israel HIKE 2024

**The Israel HIKE tour was designed to give travelers an extended look at areas of Israel we can't visit during the regular tour. This small group tour will take you to national parks, let you hike the same trails Jesus walked, have fun while you relax in Israel's southern "Grand Canyon" of Mitzpe Ramon, and learn about Jewish & Israeli culture first hand. It will be relaxing and a wonderful extension to the Israel main tour. None of the hikes will be too strenuous and are suitable for all who can manage the main tour + 2-3 hours of outdoor walking at a time.**

After the farewell dinner for the Israel tour and dropping travelers returning to the US at the airport, the hikers will switch to a Mini-Bus and drive to northern Israel.
