## **CODE BLUE SHELTER**

## Help US Help the Homeless this Winter

Come join us!!! This year the Coalition to Shelter and Support the Homeless (CSSH) needs more volunteers than ever to provide shelter to our homeless neighbors. We open on nights that are 26° or colder, and when we are fully staffed.

We follow safety and sanitation protocols to keep our shelter guests and volunteers safe.

Training is required to become a volunteer. You can access our on-line training and paperwork from the comfort of home at Co2ssh.org/volunteertraining.

For more information about volunteering with CSSH and the CODE BLUE program and information about our training programs: visit co2ssh.org/volunteer
