President's Message

I am amazed at all the talented members we have in our Guild. At the February Day Chapter meeting, we had a wonderful program presented by Corrine Vance titled "Quilts, Guilts, and Guilds". At the Night Chapter meeting in March, Joan Cochran presented a program on the History of Quilting from an Art History and Museum perspective. They both did a great job and taught us a lot about quilting. If you have a talent you would like to share with the Guild, see one of our Program chairs.

There were some beautiful quilts at Mid Atlantic this year. Thank you to all the members that were White Glove volunteers at Mid Atlantic and those who sold raffle quilt tickets at the show. We sold over \$500 in tickets for our Raffle Quilt. Thanks to Marilyn Riviera and her helpers for setting up our 2018 Challenge Display and those that loaned us their quilts. It was a very nice display.

The Nominating Committee this year had a lot of positions to fill but did a great job. We appreciate the hard work of the committee. Thank you to the members who agreed to serve on the Executive Board for the next term which begins in June. I am looking forward to Jackie O'Brien, the Quilt Ninja, at our April Night Chapter meeting. Suzi Parron will be visiting our Day Chapter meeting to tell us about the American Barn Quilt Trail. Hope to see you there.

Honor Quilts Workshop

On a rainy Thursday, March 21, 14 members arrived at the Newport News Community Center Honor Quilt Workshop. Deb Cilley and I had put together kits and the ladies were ready to go! They completed six tops, backs and binding for each quilt. There were six other tops that were in need of backs and those were completed as well. Linda Odell, Donna Dooley, Deb Cilley, and Isobel Meekins pressed, cut or helped with layouts. Priscilla Whisler made binding and finished up a signature quilt that Colleen Ortiz had started. Joan Kelly, Ingrid Kross, Fran Jones, Shirley Land, Pat McGough, Vicki Marsh, Gala Damato and Charmaine Gleason all completed tops or took them home to complete. Some of the ladies took additional kits to complete at home. It was a very productive day and all the hard work is greatly appreciated. Our thanks to everyone who came out and those who donated the resources to help us make so many beautiful quilts.

Day Programs

This month we have another exciting lecture coming our way, with a unique topic in our quilting world. Nationally-traveled and author Suzi Parron will be stopping her RV in our area to tell us all about "Following the Barn Quilt Trail". Suzi has been instrumental in spreading the word about community Barn Quilt trails that have been established in many rural areas in several states, which bring tourism and special pride in these communities.

Suzi will be following her lecture with a long-anticipated Barn Quilt Workshop in the afternoon, to be held 1:30-5 p.m. at Grafton Christian Church. The workshop is full.

Future Workshop to mark on your calendar---

- In June we will have Annette Ornelas of Southwind Quilts from Fayetteville, NC, come to lecture about her unique style of curved piecing, she calls Peeled Back Piecing, or Dimensional Curved Piecing. She will follow the lecture with a workshop in the afternoon on this simple and beautiful technique. You may see a video of this technique of these 3-dimensional curves on her website, under tutorials, at <http://www.southwindquilts.com/gallery.htm>. The cost will be \$35 for the workshop, with a \$10 kit fee that includes a pattern. We will begin sign-ups in our April meetings. I hope you would like to try out this new design option to give a zing to your quilts!

Visiting Presenters workshop note:

When we contract a workshop, we have to give the presenter a number of attendees ahead of time so that they are sure to have enough kits/supplies for the class. We pay them per the number of attendees that sign up.

I would appreciate members paying for the workshops at the time of sign up. You can pay with a check to PPQG or cash. If we have a person drop out who hasn't paid, the workshop account is out that money when paying the instructor. If you need to drop out, I try my best to have a person who can take your spot and can reimburse you. Thank you for your understanding and cooperation.

Honor Quilts

On March 7, I traveled to Portsmouth Naval Hospital campus to the Fisher House. The Fisher House provides a home away from home for families of active duty and retired military. The Fisher House offers comfortable accommodations to allow the families to focus on their medical care and recovery of their loved ones. I took ten quilts over and, as always, they were warmly received and gratefully appreciated. They had a full house and said the quilts would lift the spirits of their guests.

On April 26, Linda Odell and I will be going to Richmond to present quilts to first responders and their families. In November, one fireman was killed and two with serious injuries while responding to a call. If anyone would like to join us you're welcome. I will have more information at the April meetings.
