

My first appointment at NEBS

nebs

I will be going to the New England Behaviour Support office at Unit 6, 56 Dowe Street, Tamworth.

When I get to the office, I can wait in the waiting room until my appointment.

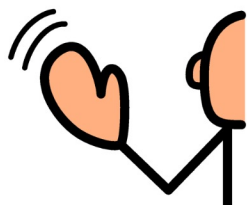

I will meet with my Therapist. They will go through the routine for the appointment and offer me strategies if I need a break.

At this appointment, there will be lots of talking to learn all about me, and what goals we will be working on in our therapy appointments together.

There are some toys in the room which I can play with.

At the end of the appointment, I will need to help pack away. It will be time to say goodbye and leave. My Therapist will look forward to seeing me again!
