Dannielle Graves Earns NAR's Military Relocation Professional Certification
*Military Personnel and Veterans Benefit from
Professional Expertise in Military Benefits, the Relocation Process, and Support*

Clarksville, TN 11/13/2020 — Dannielle Graves with Queen City Homes at Quirion Realty has been awarded the nationally recognized Military Relocation Professional Certification. The National Association of REALTORS® awards the MRP certification to REALTORS® who help military personnel, veterans and their families find housing that lets them make the best use of their benefits and serves the unique needs of military life.

When military staff and their families relocate, the services of a real estate professional who understands their needs and timetables can make the transfer easier, faster, and less stressful. REALTORS® who earn this certification know to work with active duty military buyers and sellers, as well as veterans.

The certification provides NAR's members with resources to accommodate current and former military service members at any stage of their military career, and is an approved elective for NAR's Accredited Buyer's Representative designation. To earn the MRP certification, REALTORS® must be in good standing with NAR; complete the Military Relocation Professional (MRP) Certification course, and complete two webinars.
