

**Lake Wildwood Association**  
**Water Otter Swim Team Scholarships**

Although the Lake Wildwood Aquatic Club has disbanded, they have left a generous donation towards scholarships for the Water Otters Swim Team. This scholarship will go towards the registration fee for children residing in Lake Wildwood who wish to participate, but the registration fee may be a financial hardship for their family. The Recreation Director will confidentially review applications. Recommendations from the Head Coach and Swim Team president will also be considered. If the swim team membership fee has already been paid, the parent or guardian will be reimbursed.

Please enclose the completed application form in a sealed envelope, and deliver it to the Recreation Office in the Community Center or send it to the following address by May 31, 2013.
