In Musical Theater Club, kids have fun singing, dancing, making music, and acting. As we put a play together, we play games that include imitating, acting out, and creating. The games utilize imagination and energy, build on children's ability to focus, problem solve, and cooperate.

This year, the most beloved tale of all time will come to life on Kaleidoscope's stage where Dorothy and her friends trot delightfully and tunefully down the fabled yellow brick road in *The Wizard of Oz*. After a tornado whisks Dorothy away to the magical land of Oz, she teams up with friends to find the mighty Wizard of Oz who can send her home. Along the way, they must avoid the clutches of the Wicked Witch of the West, who is trying to steal the mysterious magic slippers that once belonged to her evil sister... but are now on Dorothy's feet. During the adventures, Dorothy and her friends learn how magical friendship can be and how wonderful it can feel to go home again.

Because the children are actively contributing to the plot, the final product will look and sound different from the original stories and movies. The Musical Club will culminate in the production at the end of the school year.
