Ministry News/Updates

Due to the updated permitting approval in the City of Miami, we had to change our feeding Location. We are back serving in Downtown Miami. It was just heartbreaking to see the increased number of tents with families living under the bridge when we went out to serve on Saturday, January 29, 2022. During these uncertain times, the need is still so great, and we are commissioned to do more to help the community. The Homeless Community are people and need your love, help, and support each month. This is Ministry one on one. We must still witness to the souls on the streets even during this Pandemic. They too need encouragement, peace, and hope! I also know God is hearing this ministry prayers and petitions for continued help and support! Talk about unexpected blessing and new partnership!! All I can say is thank you Jesus! Heartfelt thanks to all the seed Sowers last month. Gracious thanks to all the volunteers who came out to serve with us in 48 degrees weather. The volunteers are the real MVP's.

Thanks for believing in the Mission and Vision of this Ministry!

We are asking that if you haven't been financially supporting will you please consider supporting our Scholarship Fund and other Outreach efforts. We want to be a blessing not only to the community but also to the 2022 Highschool Graduates and Undergraduates this year and onward!
