Withdrawal Policy

JumpStart Junior Kindergarten is a 10-month program from September-June. We require a commitment from parents for the entire 10-month term as our program works just like the public-school system and not like a daycare or playschool where kids are just cycled in and out. If you wish to withdraw from the program, at least one FULL month's written notice prior to the 1st of the month you wish to leave must be given. For example, if you need to withdraw in November, we must be notified before October 1st. Failure to provide proper notice will automatically forfeit your Tuition Deposit.

Withdrawal Policy Exception

Please make special note, if you withdraw from the program on or after January 15th, you automatically forfeit your Tuition Deposit as it is difficult for us to fill spots that late in the year.

We are a Child Care Provider, so our fees are tax deductible.

**Annual Tax Receipt will be issued in the month of February for prior year payments**

**Subsidy available only at our Ambleside and Chappelle locations:**

Government of Alberta subsidy available for eligible families (Ambleside Location Only)
