Author: Douglas C Giancoli
ISBN: 9780321869111

Problem Solving margin notes offer problem solving hints where needed most. MasteringPhysics from Pearson is a powerful, yet simple, online homework, tutorial, and assessment system designed to improve student learning and results. Students benefit from specific wrong-answer feedback, hints, and a huge variety of educationally effective content while unrivaled gradebook diagnostics allow instructors to pinpoint the weaknesses and misconceptions of their class. New to This Edition. Language has been streamlined throughout and edited for greater clarity. Specifically, essentials appear first; elaborations follow. Share a link to [All Resources](#).
