www.rochestermidland.ca

### FEATURES:

- Blend of synthetic detergents, emulsifiers, and powerful cleaning agents.
- Contains a skin softener and fresh lemon fragrance.
- Produces long lasting high foam.
- Hard water tolerant.
- Biodegradable\*
- Holds C.F.I.A. letter of non-objection.

### BENEFITS:

- Excellent grease penetration and suspension properties.
- Superior for manual pot and pan washing.
- Soft-metal safe.
- Quickly removes a wide variety of soils.
- Rinses freely from cleaned surfaces.
- Excellent foam stability in the presence of soils.
- Gentle to hands.
- Wide range of applications including foodservice areas in fast food and full service restaurants, hospitals, hotels, and school cafeterias.

**Fiesta** is a soft metal safe sudsing manual cleaner which quickly emulsifies and removes a wide variety of soils. **Fiesta** has copious suds and superior cleaning ability. Very gentle to hands, it contains a unique combination of synthetic detergents, stabilizing agents, skin softener, and lemon fragrance. **Fiesta** rinses freely from cleaned surfaces. It is recommended for use in institutional kitchens, nursing homes, hospitals, industrial food services, and restaurants. **Fiesta** has excellent grease penetration and suspension properties while it is gentle on hands. It produces a foam that is stable even in the presence of food soils.

### DIRECTIONS FOR USE:

Dilution depends upon degree and nature of soil. Begin with diluting 15ml per 4 litres of warm water. It is designed for manual pot and pan cleaning.

Rinse all food contact surfaces with potable water after use. Do not contaminate food, feed or potable water during use and storage of the product.

### PROPERTIES:

Biodegradable*	Yes
Foam Generation	Excellent
Emulsification/Solubility	Excellent
Foam Stability in Presence of Food Soils	Excellent
