

Santa Claus

The North Pole

Dear Santa Claus,

Dear Santa, you already know cats are most good and beautiful animals on planet. We are also very modest. Thank you very much for visiting us this year! We hope you will bring us many gifts, including a family. We are many cats here who are living here by over 4 years!

We do not know why, nobody asks to adopt us.. At least, you Santa, don't forget us!

Our wish list is

- ✧ Warm blankets and beds;
- ✧ Wood cat shelter for outside;
- ✧ Cat trees;
- ✧ Dry food for kittens.

Love,

Cats from Sava's Safe Haven
