

The Gospel of Matthew:

Signs and the Son of Man:

1. How can our desire to know the details about the end times lead us in false directions and away from Christ?
2. Jesus says, “the love of most will grow cold”. He is speaking about Christians here as well as non-Christians. How could this happen?
3. The “abomination that causes desolation” is a title for the Antichrist. What makes this figure an abomination? To whom? What is the desolation that he will cause? Against whom?
4. How do we heed Jesus’ instruction to “Watch out” and not be deceived?
5. The return of Christ will be visible to the whole world. When He comes it will not be in secret or silence. Does this encourage us and help us to navigate the end times successfully? Why or why not?
