

The Essence of the Mediterranean

MAJORCA & BARCELONA

SPAIN

With history that dates to 3000 BC, along with food, colors, and culture; this trip will rival any other you may have taken!

From the architectural magic of Barcelona's Familia Sagrada and the Mountainous Monserrat, to the coves of turquoise water so clear that boats seem to be floating in the air, venture into hidden caves, visit lighthouses with endless views, and see unforgettable sunsets. That's life on the largest of the Balearic Islands! A place of idyllic landscapes where the mountains are just a step away from the beach, and the inspiration for generations of writers, musicians, and painters.
