

Fireside Fellowship:

Chosen By God:

1. How do we reflect the “beloved-ness” of people in our church or home team?
2. What proofs would you give others to show they are chosen by God? How does their life reflect their chosen-ness?
3. Can we say to others, “imitate me as I imitate Christ”? Why or why not? What has to happen for us to be confident to say those words to another?
4. What are you specifically doing to be part of the echoing of the gospel to those around you and around the world?
5. Does the return of Christ make a difference in the way you live?
