Re: Summer Intensive Workshop COVID Guidance

Dear Parents & Students,

Due to the recent increase in COVID-19 cases and the CDC guidelines as of July 30, 2021, the following will apply during all in-person classes at the Shrewsbury studio:

1. Students with a fever and/or any symptoms of illness are not allowed in class.
2. Everyone must wear a face mask inside the building at all times regardless of vaccination status except to drink water.
3. Students are REQUIRED to use the hands-free temperature check station upon entering the studio each day. Anyone with a fever of 100.4° F cannot attend class in studio - you must attend class from home via Zoom. Please contact the studio via phone or email for Zoom details.
4. Students must use the hands free hand sanitizers available throughout the studio upon arrival and when appropriate.
5. Social distancing applies for everyone.
6. There is no seating in the waiting area. Please drop-off and pick-up at the door.
7. The dressing room will remain closed for the entire school year. Please come dressed for class - the restrooms may be used for changing if absolutely necessary.
8. Students will be given a mesh bag that can be brought back and forth to classes. Please do not bring any additional bags to the studio.

We understand that there is a wide range of feelings regarding wearing masks, hand sanitizing, and social distancing, etc. Danceartists Ballet Academy strives to maintain a safe and nurturing environment for learning. Your understanding is greatly appreciated. If you have any questions or concerns, please email or call the studio.
