## PRESIDENT'S REPORT

Hi folks,  
Well the silly season of Xmas and New Year are behind us and the folks that went down to the big event for Country Music Club members at Tamworth should be recovered by now. Good results for all our people who went down to perform. Congrats to Matt and Pheobe on your efforts.

The heat was a big factor this year with the locals saying it was the hottest ever. One old bloke saying "it's hot enough to stun an Emu"..... must have been I didn't see any! ..... so good to see

Evelyn get on the Wall of Honour and Troy in the Hall of fame and Justin Stanley blew their socks off.

Jeanette and myself went down on a bus trip with Greg and Donna Ross Bus Co from Maryborough and had a great time, would absolutely recommend it for anyone next year.

Got in some quality singing time at walk-ups in the Town Hall and other venues and caught up with some great shows. Kept a lookout for old friends from the Tam-borine - Beaudesert area, but time, it seems, has decimated the ranks. The only guy we met was Paul Seales..... sadly we may be the last two standing.

Well guys the lead up to the Festival is on us and we are going to get busy. I'd like to call on club members to gather around Rod and Sandy Bryant to give as much support as you can to this event. Entry forms are now available so enter now to be part of it.

We had a great playout last Sunday, well sup-

ported by new faces in the crowd and Cool Country members who always support us so well.

I'd like to thank all the people who help make these events the success they are. Band members, caterers raffle and door staff and folks that help with set up and cleanup at the end. MUCH APPRECIATED.

I invite members of our club to support Cool Country at their playouts held on the last Sunday of the Month at the Hervey Bay Community Centre, Charles St. You will be welcomed.

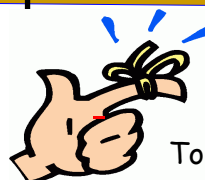

That's about it for this month, stay well and travel safe.

Lawry Bucholz
