	May 17th	Kindergarten Screening – Appt. Needed
	Aug. 24th	Back to School Night
	Aug. 26th	First Day of School

THE BRIGHT SPOT: You don't want to look back and wish you could have done better.

BELLS AND WHISTLES to a GREAT Field Day! The students cheered each other on and were good sports, the staff helped out tremendously and **NO rain!** -Mrs. Warmbrodt

Preschool: The final week is here! This year has flown by. I am so glad we were able to be in seat all year! Thanks for sharing your child with me. It has been fun to watch them grow and learn. I hope you all have a safe and fun summer. See you in August!
- Miss Stacie

Kind: I can't believe it's the last week of school! I want to thank all of the parents for all the work you've done outside the classroom! It has made such a difference. I will be putting together summer packets for students to work on over break. I will send these home later in the week. Students will be working on addition and subtraction fluency, plus writing a short biography about themselves this week. We will also be completing some fun end of year crafts. This year has flown by! - Miss Rachel

1st/2nd: I can't believe it is the last week of school. We will still be working on some language arts skills this week and doing some more math facts. We will also be finishing our read aloud book in class. Be sure to ask your child about "Help! I'm Trapped in Obedience School." Please be sure you are practicing math facts over the summer so students don't regress. I'm super excited that second grade has finished this year knowing their multiplication facts (x0, 1, 2, 3, 4, 5, 10, and 100). First grade needs to continue working on addition and subtraction facts. Both grades should have flash cards to practice. I strongly encourage reading daily with your child this summer. This can be anything from a book to a menu at a restaurant or road signs as you travel. The more each student reads the better their reading skills will become. This has been a great year and I will miss each child over the summer. Have a great summer and I hope to see you next year. - Mrs. Hird

3rd/4th: This has been a great year with a great bunch of kids! We only have three and a half days left until summer break!! This week our class will be doing some fun activities with Lewis and Clark and the State of Missouri. We will continue to work on our division facts, grammar and elapsed time. Our Awards Assembly will be on Thursday and I hope to see you there. - Mrs. Cooper

5th/6th: It has been an awesome year! Parents, thank you so much for sharing your kids with me. 5th graders will have a Social Studies test on Tuesday and 6th graders will be finishing up a unit on Ancient Rome. Both grades will complete the physical fitness test this week and we will also be doing some fun end of year activities.

7/8 Comm. Arts: Students will be watching "The Count of Monte Cristo" and will compare it to the short story we read last week. Have a great summer! - Mrs. Foster

7/8: The last week of school is upon us. These words come with mixed emotions. Both early and often, we collectively wondered if we would be able to finish the year with the pandemic. I'm so pleased on so many levels that we were able to finish this year, with the main reason being that we were able to finish what we started. I, personally, feel grateful to not have been deprived of my time of working with the students. While "any school year you can finish" has actually become a thing now, I was blessed with a good year with good kids. It was a pleasure to work with the kids and their families. I hope I get to see more parents in the future, of course. That was an unfortunate aspect of the year. To all of the Hudson staff, thank you for all you do to be kind and helpful and make this school a great place to work and learn. **7/8 Social Studies test on Tuesday** - Mr. Ewing

8TH GRADERS: Please bring in 3 - 5 framed pictures per student to display at graduation.

MUSIC: We have learned a lot this year about notes, rhythm, genres, instruments and musicals. We were able to sing some too! I appreciate the students being flexible with what we learned due to Covid. It was a different year but I am so thankful we were able to be here all year! Have a fantastic summer! – Miss Stacie

CHARACTER ED: 8th Graders, I am super proud of your journey at Hudson. You are a great group of kids with great character. I know that, if you show your true character, you will go far in life! Congratulations!! – Miss Stacie

REMEMBER: Students may log on at www.ixl.com over the summer to practice skills online. Students should know their passwords, but if you have any questions, please call the school at (660) 476-5467.

REMINDER: TURN IN FOOD FAIR RECEIPTS BY THURSDAY

The Hudson R-IX Board of Education is soliciting applications for a board member. Applications may be picked up at the school office. If you would like an application to be mailed to you, please leave a message at (660) 476-5467.

Board candidates must be at least 24-years of age, a citizen of the United States, a resident taxpayer of the Hudson R-IX School District and must have resided in the state one year next preceding their appointment.

ALL APPLICATIONS SHOULD BE COMPLETED AND RETURNED NO LATER THAN

12:30 P.M. ON THURSDAY, MAY 13TH.

This position will remain in effect until the next board election.

THANK YOU for all of your support through this very different year. I couldn’t be more pleased with how we’ve all navigated and worked together through a time when we really didn’t know what to expect. I appreciate the students. They wore their masks like champs! I know our efforts paid off. I am so happy we were able to achieve our goal of in school, in seat, five days a week. – Mrs. Warmbrodt
