Author: Anna Leon-Guerrero
ISBN: 9781483369365

Timely information with ways to get involved The best part of all of Macionis's texts is the application of the issue from the three major perspectives. It is very attractive for my students who have consistently and unanimously stated in course reviews that they liked their text book a whole lot. I like the emphasis on solutions and getting students involved in issues. I also like that there are opportunities to "apply theory" in boxed material throughout the book. Convert currency. Show more. Frames social problems and solutions through politics. Improve Critical Thinking — Chapter organization follows a logical framework that traces a problem from its origin to solution. Engage Students — International, national, and personal examples help students understand issues better. Explore Theory — Major sociological theories and how they explain each social problem are discussed. Understand Diversity — Features help students think globally about defining a solution to social problems. Also, author-written test bank provides the best support for instructors.

Book review. Tang Award for Excellence in Research, she teaches courses on statistics, sociological theory, and social problems. As a social service program evaluator and consultant, she has focused her research on welfare reform, employment strategies for the working poor, and program assessment. Anna Leon-Guerrero. Empower your students to become part of the solution. The Fifth Edition of Social Problems: Community, Policy, and Social Action goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions. With an overarching focus on social inequalities and policy, this proven text provides a platform for discussion that encourages critical thinking and inspires hope. About the Author. Chapter 15 The Environment. The Power of Political Action.

Chapter 4 Gender. NotSoForeign Models. Study Questions. Mauricio Lim Miller. Global Immigration. Values vs Facts. The Consequences of Gender Inequality. Educated Men and Women.
